FIRST LIEN TRADEMARK SECURITY AGREEMENT

FIRST LIEN TRADEMARK SECURITY AGREEMENT, dated as of August 4, 2023, made by each of the undersigned grantors (individually, a “Grantor”, and, collectively, the “Grantors”), in favor of DEUTSCHE BANK AG NEW YORK BRANCH, in its capacity as Collateral Agent.

W I T N E S S E T H:

WHEREAS, the Grantors are party to that certain First Lien Security Agreement dated as of November 1, 2017 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Creditors, to enter into the Credit Agreement, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As security for the Priority Payment Obligations, each Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Priority Payment Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Grantor or in which such Grantor has any rights:

(a) Marks of such Grantor listed on Schedule I attached hereto (in no event shall Collateral include any application for registration of a trademark filed with the United States Patent and Trademark Office (“PTO”) on an intent-to-use basis until such time (if any) as a statement of use or amendment to allege use is accepted by the PTO);

(b) all goodwill associated with such Marks; and

(c) all Proceeds of any and all of the foregoing (other than Excluded Collateral) (collectively, the “Trademark Collateral”).

As security for the Non-Priority Payment Obligations, each Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Non-Priority Payment Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the Trademark Collateral of such Grantor or in which such Grantor has any rights.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Marks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the payment in full of the Obligations and termination of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Marks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute

this Trademark Security Agreement by signing and delivering one or more counterparts. This Trademark Security Agreement shall become effective when a counterpart hereof executed by the Grantor shall have been received by the Collateral Agent. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by email (e.g., "pdf" or "tiff") or telecopy shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 6. Governing Law. This Trademark Security Agreement and the transactions contemplated hereby, and all disputes between the parties under or relating to this Trademark Security Agreement or the facts or circumstances leading to its execution, whether in contract, tort or otherwise, shall be construed in accordance with and governed by the laws (including statutes of limitation) of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

[signature pages follow]

IN WITNESS WHEREOF, each Grantor has caused this First Lien Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,
