To secure its obligations under the Loan Agreement and under any other agreement now existing or hereafter arising between Borrowers and Lender, each Borrower grants to Lender a security interest in all of such Borrower's right, title and interest in, its intellectual property (including without limitation those copyrights, patents and trademarks listed on Schedules A, B and C hereto) and all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof. Each Borrower represents and warrants that Schedules A, B, and C attached hereto set forth any and all intellectual property rights in connection to which such Borrower, as of the date hereof, has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable. Each Borrower hereby authorizes Lender to (a) modify this Agreement unilaterally by amending the schedules to this Agreement to include any intellectual property which any Borrower obtains subsequent to the date of this Agreement, and (b) file a duplicate original of this Agreement containing amended schedules reflecting such new intellectual property.
