NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

Assignor hereby contributes, conveys, grants, sets over, assigns, and transfers to Assignee and its successors and assigns, and Assignee hereby accepts, Assignor's entire worldwide right, interest and claim in, and title to the Trademarks, together with the common law rights and goodwill associated therewith, together with the right to sue for and collect upon all claims for profits and damages as a result of past infringement of the Trademarks, if any, in each case whether now existing or hereafter created, together with the proceeds thereof.

Assignor on and after the Effective Date of the Agreement, shall at the reasonable request and the expense of Assignee: (a) execute and deliver or cause to be delivered any documents and further instruments of assignment consistent with the present assignment and that may be reasonably required to evidence or effectuate the assignment of the Trademarks; and (b) take or cause to be taken all such other actions, as may reasonably be deemed necessary or desirable in order for Assignee to obtain the full benefits of the present assignment of the Trademarks and to maintain and enforce the Trademarks in all countries.
