## TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT (this "**Assignment**") is effective as of the date of the last signature below ("**Effective Date**"), by and between Forest River, Inc., an Indiana corporation that is successor-in-interest to Coachmen Recreational Vehicle Company, LLC with offices at 423 N. Main Street, Middlebury, Indiana 46516 (the "**Assignor**"), and Nissan Jidosha Kabushiki Kaisha TA Nissan Motor Co., Ltd., a Japanese corporation, with a principal place of business at No. 2 Takaracho, Kanagawa-ku Yokohama-shi, Kanagawa, Japan 220-8623 (the "**Assignee**"), collectively referred to herein as the "**Parties**".

WHEREAS, Assignor is the sole and exclusive owner of the entire right, title, and interest in and to the trademark PATHFINDER in the United States, which is the subject of the valid and subsisting U.S. Registration No. 1442001 for *light trucks and structural parts thereof* in Class 12, together with the goodwill of the business associated therewith and all common law rights related thereto (the "**Mark**");

WHEREAS, Assignee now wishes to acquire all right, title, and interest in and to the Mark and Assignor is willing to assign the Mark to Assignee;

NOW THEREFORE, for good and valuable consideration paid by Assignee, the receipt and sufficiency of which is hereby acknowledged by both Parties, Assignor hereby conveys, assigns, transfers, and delivers to Assignee its entire right, title, and interest in and to the Mark, together with the goodwill of the business symbolized by the Mark, as well as, without limitation, all registrations and applications therefor, any renewals of the registrations, all common-law rights relating thereto, including U.S. Registration No. 1442001, and the right to bring an action at law or in equity for any infringement, dilution, or unauthorized use of the Mark, together with the right to retain all damages, proceeds, and recoveries therefrom, and all other corresponding rights that are or may be secured under law, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, or payments due or payable as of the Effective Date or thereafter, including without limitation all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Mark, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignee, for no further consideration, will take all further actions necessary to perfect and record Assignee's ownership of and title to the Mark, and will bear any and all costs associated therewith.

This Assignment constitutes the entire agreement between the Parties and supersedes all prior agreements, understandings, and proposals (whether written or verbal) with respect to the subject matter hereof.

No alteration, amendment, modification, addition, deletion, or change to this Assignment shall be effective or binding unless and until such alteration, modification, amendment, addition, deletion, or change is properly executed in writing by the Parties or their authorised representatives.

Should any provision or part-provision of this Assignment be declared invalid, unenforceable, or void by a judicial or administrative authority, the validity and enforceability of the remaining provisions shall not be affected thereby and a substitute clause shall be negotiated in good faith to preserve as near as possible the original intent of this Assignment. If such substitute clause cannot be negotiated, the relevant provision or part-provision shall be deemed deleted.

This Assignment shall become effective as of the date of the last Party to execute this Assignment and shall remain in full force unless otherwise agreed by the Parties in writing.

This Assignment shall be construed and interpreted in accordance with the laws of the State of Indiana without regard to any choice of law or conflict of law, choice of forum or provision,

rule, or principle that might otherwise refer construction or interpretation of this Assignment to the substantive law of another jurisdiction.
