INTELLECTUAL PROPERTY ASSIGNMENT AND CROSS-LICENSE AGREEMENT

(Infralink, LLC)

This **INTELLECTUAL PROPERTY ASSIGNMENT AND CROSS-LICENSE AGREEMENT** (“Agreement”) effective as of January 1, 2023 (the “Effective Date”) is by and between **Infralink, LLC**, a Delaware limited liability company (“Infralink”), **M. C. Dean, Inc.**, a Virginia corporation (“MCDI”), and certain of MCDI’s affiliates that have executed the Joinder Agreement attached hereto as **Exhibit A** (collectively the “Affiliates”). MCDI and the Affiliates may each be referred to herein as a “Licensee”, and collectively the “Licensees”). Infralink, MCDI and the Affiliates are collectively referred to herein as the “Parties”, and individually as a “Party.”

WHEREAS, Infralink is in the business of and owns rights in certain intellectual property, including, but not limited to patents, trademarks, copyrights, trade secrets, know-how, and show-how (“IP Rights” or “IPR”) relating to the development, sale, marketing and distribution of a management and critical process automation platform (the “Infralink Business”);

WHEREAS, MCDI and the Affiliates own or may in the future own IP Rights related to the Infralink Business;

WHEREAS, Infralink was created to carry on the Infralink Business, including the creation of new IP Rights and the sublicensing and distribution of IP Rights to MCDI and/or the Affiliates;

WHEREAS, each Party acknowledges that certain IP Rights may be necessary for continued operation and fulfillment of existing and future contractual obligations of such Party and that some of those intellectual property rights may be owned by another Party; and

WHEREAS, each Party desires to grant to each other Party a world-wide, non-exclusive, royalty-free, fully paid-up license to all IP Rights owned by such Party.

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the acceptance and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

SECTION 1. Assignment; Grant of License Rights

1.1 MCDI and each Affiliate assign certain IPR owned by such Party relating to the Infralink Business, including (i) the registered patents and trademarks described on **Exhibit B** (“Registered IP”) and all associated goodwill, claims, and defenses; and (ii) and the third party license agreements described on **Exhibit C** (“Assigned License Agreements”) to Infralink subject only to the Permitted Encumbrance (defined below). The Registered IP and the Assigned License Agreements shall be collectively referred to as the “Assigned IP”.

1.2 In consideration of the payment of the License Fee as set forth in Section 3, Infralink grants to the Licensees a perpetual, royalty-free, fully paid-up nonexclusive, worldwide license to use all IPR in and to the Infralink Business, including the Assigned IP (hereinafter, the “Licensed IP”) in connection with the Infralink Business, including to, sell, advertise, market, and distribute products and services as may be agreed upon between the Parties from time to time. MCDI shall have the right to assign all or any part of its right, title, and interest in and to this Agreement as collateral without Infralink’s prior consent or approval to BMO Harris Bank N.A. in connection with the Permitted Encumbrance.

1.3 Subject to Section 1.4, the licenses granted herein shall include the right of each Party to grant sublicenses to its Affiliates existing on or after the Agreement Date, which sublicenses may include the right of sublicensed Affiliates to sublicense other Affiliates of said Party. Each sublicensed Affiliate shall be bound by the terms and conditions of this Agreement, other than Section 5 and 6, as if it were named herein in the place of the party with whom the sublicense originated. No sublicense shall be broader in any respect at any time during the life of this Agreement than the license held at that time by the party that granted the sublicense.

1.4 A sublicense granted to an Affiliate shall terminate on the earlier of: (a) the date such Affiliate ceases to be an Affiliate; or (b) the date of termination or expiration of the license of the party or Affiliate that granted the sublicense.

1.5 In the event any Party does not have the right to grant a license for any Licensed IP of the scope set forth in Section 1, then the license granted herein for such Licensed IP shall be of the broadest scope which such Party has the right to grant within the scope set forth above.

1.6 Infralink retains the right to specify, from time to time, the format in which the Licensees shall use and display the Licensed IP. Licensee shall use or display the Licensed IP only in a format approved by Infralink.

SECTION 2. Term of Agreement; Acquisition of a Party

2.1 The term of the licenses granted under this Agreement shall commence on the Effective Date and shall continue unless terminated under the provisions of this Agreement.

2.2 If one Party (the “Acquired Party”) is acquired by a third party: (a) the Acquired Party shall promptly give notice of such acquisition to the other Parties; and (b) the license granted to the Acquired Party and all sublicenses (if any) granted to the Acquired Party’s remaining Affiliates shall automatically become limited to only those products manufactured and marketed by said Acquired Party prior to said acquisition.

SECTION 3. License Fees

3.1 In consideration for the rights and licenses granted herein, each Licensee shall pay Infralink an annual fee in an amount equal to two thousand dollars (\$2,000) per patent or trademark, as applicable, comprising the Licensed IP, payable upon execution of this Agreement and on or before each anniversary of the Effective Date (the “License Fee”). Each Licensee acknowledges and agrees that Infralink may modify or increase the License Fee to reflect the then-current fair market value of the Licensed IP upon written notice to each Licensee no fewer than sixty (60) days prior to the successive anniversary of the Effective Date.

SECTION 4. Use of Trademarks

4.1 Licensee shall always display the Trademarks in accordance with all relevant graphic standards and usage manuals provided by Infralink as well as such other guidelines as Infralink shall communicate, whether orally or in writing, to Licensee from time to time during the Term of this Agreement. Licensee agrees not to use the Trademarks in any way or for any purpose other than as specifically authorized under this Agreement or prohibited under the relevant standards, manuals and guideline promulgated by Infralink.

4.2 Licensee agrees that all goods and services offered and sold by Licensee under the Trademarks shall be conducted, formulated, and manufactured in a first rate manner and shall be of a quality which is at least as high as the best quality of the goods and services presently provided by Licensee. Upon written request from Infralink, Licensee shall provide reasonable samples of labels, packaging, advertising, and promotional materials used or intended for use by Licensee which incorporates one or more of the Trademarks to allow Infralink to monitor Licensee's use of the Trademarks. Infralink reserves the right to disapprove such labels, packaging, advertising, and promotional materials if Infralink reasonably determines that one or more of the Trademarks is improperly used therein. If Infralink reasonably determines that any of the goods and services provided by Licensee under the Trademarks are not of the quality specified above, Infralink shall notify Licensee in writing and Licensee shall have sixty (60) days in which to: (i) reassure Infralink that the quality of its goods and services is in fact commensurate with that specified above; or (ii) take steps to improve the quality of the goods and services to meet such standards. If at the end of the sixty (60) day period, Infralink is not reasonably satisfied that the quality of the goods and services meets the above standards, Infralink may terminate this Agreement upon thirty (30) days written notice to Licensee.

4.3 Upon termination of this Agreement in any manner provided herein, Licensee shall discontinue all use of the Trademarks and shall refrain from using any other corporate name, service mark, trademark, trade name or other trade designation which is confusingly similar to the Trademarks.

SECTION 5. Ownership; Infringement

5.1 Licensee hereby acknowledges Infralink's exclusive rights, title, and interest in and to the Licensed IP. Licensee will not at any time do, or cause to be done, any act or thing contesting or in any way impairing or tending to impair the validity of and/or Infralink's exclusive rights, title and interest in and to the Licensed IP. Licensee will not in any manner represent that it owns the Licensed IP and Licensee hereby acknowledges that its use of the Licensed IP shall not create any rights, title, or interest in or to the Licensed IP in its favor, but that all use of the Licensed IP by Licensee shall inure to the benefit of Infralink.

5.2 No Licensee shall have any right to institute any action or suit against third parties for infringement of any of Licensed IP, such actions may only be brought by Infralink only unless it otherwise consents. In the event that an unauthorized third-party use(s) of one or more of the Licensed IP is brought to Infralink's attention by Licensee in writing, Infralink agrees to take reasonable steps to abate such use(s) upon the following conditions: After investigation and evaluation of such unauthorized use(s), Infralink and Licensee agree that such use(s) constitutes an infringement of one or more of the Licensed IP; and After consideration and evaluation of all circumstances surrounding the unauthorized use(s), Infralink and Licensee agree that there is a reasonable probability of success in the action(s) against the unauthorized use(s). Licensee shall take no action with regard to any such unauthorized third-party use(s) without prior consultation with and the consent of Infralink.

SECTION 6. Warranties

6.1 Allocation of Risk. An essential purpose of the exclusion of warranties and limitation of liability provided in this Agreement is allocation of risks between the Parties, which allocation of risks is reflected in the arrangements between the Parties in this Agreement.

6.2 No Conflicts; Permitted Encumbrance. Each party warrants that, to the best of its knowledge, it owns, or otherwise has the necessary rights in the IPR to assign ownership or to grant the rights and licenses conveyed herein; subject only to the security interest created in certain of the Assigned IP pursuant to that certain Credit Agreement between MCDI and BMO Harris Bank N.A. dated as of

August 31, 2017, and related documents (as amended and currently in effect, the “Permitted Encumbrance”).

THE WARRANTIES IN THIS SECTION 6 ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WHETHER ARISING BY COURSE OF DEALING OR PERFORMANCE, CUSTOM, USAGE IN THE TRADE OR PROFESSION OR OTHERWISE, INCLUDING BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, TITLE AND FITNESS FOR A PARTICULAR PURPOSE OR WARRANTIES AGAINST INFRINGEMENT. WITHOUT LIMITING THE FOREGOING, EACH PARTY EXPRESSLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY OR REPRESENTATION (i) THAT THE EXERCISE OR OTHER EXPLOITATION OF ANY INTELLECTUAL PROPERTY RIGHTS ASSIGNED OR LICENSED BY IT HEREUNDER SHALL BE FREE FROM INFRINGEMENT OF ANY THIRD PARTY INTELLECTUAL PROPERTY, AND (ii) OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE EVEN IF EITHER PARTY HAS BEEN ADVISED OR SHOULD HAVE KNOWN OF SUCH PURPOSE. SECTION 7. Limitation of Liability

EXCEPT FOR BREACH BY A LICENSEE OF SECTION 5 OF THIS AGREEMENT, NO PARTY SHALL BE ENTITLED TO RECOVER FROM ANY OTHER PARTY ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL OR PUNITIVE DAMAGES (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS, LOSS OF PROFITS OR LOSS OF USE), WHETHER BASED ON CONTRACT, TORT (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE), OR ANY OTHER CAUSE OF ACTION RELATING TO INTELLECTUAL PROPERTY RIGHTS ASSIGNED OR LICENSED HEREUNDER OR CONFIDENTIAL INFORMATION, OR OTHERWISE RELATING TO THIS AGREEMENT, EVEN IF THE OTHER PARTY HAS BEEN INFORMED OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES.

If a Receiving Party receives a request to disclose any Confidential Information of the Disclosing Party (whether pursuant to a valid and effective subpoena, an order issued by a court or other governmental authority of competent jurisdiction

8.3 Continuing Obligation. The obligation of nondisclosure and nonuse with respect to Confidential Information of the Disclosing Party shall survive and continue for a period of five (5) years after the Effective Date; provided, however, that the obligations of non-disclosure and non-use shall continue in perpetuity for software in any form.
