FIRST LIEN TRADEMARK SECURITY AGREEMENT dated as of August 11, 2023 (this "Agreement"), among MBX Systems, LLC (the "Grantor") and ROYAL BANK OF CANADA, as Collateral Agent (in such capacity, the "Collateral Agent").

Reference is made to (a) the First Lien Credit Agreement dated as of October 16, 2020 (as amended by that certain Amendment No. 1 to the First Lien Credit Agreement, dated as of April 30, 2021, Amendment No. 2 to the First Lien Credit Agreement, dated as of June 21, 2023, and as further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among AHEAD PARENT, LLC, a Delaware limited liability company ("Holdings"), AHEAD DB HOLDINGS, LLC, a Delaware limited liability company (the "Borrower"), the Lenders and Issuing Banks party thereto and ROYAL BANK OF CANADA, as Administrative Agent and as Collateral Agent and (b) the First Lien Collateral Agreement dated as of October 16, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among Holdings, the Borrower, the other Grantors from time to time party thereto and the Collateral Agent. The Grantor is an Affiliate of the Borrower and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and as consideration for Loans previously made and to secure the Secured Obligations. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the "Security Interest") in all of such Grantor's right, title and interest in, to and under all of its United States Trademarks, including those set forth on Schedule I attached hereto (but in all cases excluding the Excluded Assets) (the "Trademark Collateral").

SECTION 3. Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Termination. Upon the occurrence of the Termination Date, the security interest granted herein shall terminate and the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.

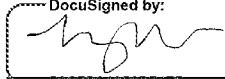

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement. The words "execution," "signed," "signature" and words of like import in this Agreement and any related document shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the

case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

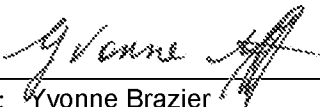

SECTION 6. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder are subject to the limitations and provisions of the Intercreditor Agreements. In the event of any conflict between the terms of the Intercreditor Agreements and this Agreement, the terms of the Intercreditor Agreements shall govern.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.
