TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of August 28, 2023 (this “Trademark Security Agreement”), made by AST Holdings, LLC, a Delaware limited liability company, Alliance Technical Group, LLC, a Tennessee limited liability company, Emission Monitoring Service, Inc., a Texas corporation, GuideWare Systems, LLC, and California limited liability company and INSPECTION LOGIC, LLC, a Delaware limited liability company (each individually, a “Grantor”, and collectively, the “Grantors”), in favor of Golub Capital Markets LLC, as Collateral Agent (as defined in the Credit Agreement referred to below).

Reference is made to the Second Lien Credit Agreement, dated as of the date hereof (as amended, restated, extended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among North Haven Stack Buyer, LLC, North Haven Stack Midco, LLC, each Lender (as defined in the Credit Agreement) from time to time party thereto, Golub Capital Markets LLC, as Administrative Agent and the other parties party thereto.

WHEREAS, the Grantors are party to a Security Agreement, dated as of the date hereof (as amended, restated, extended, supplemented or otherwise modified from time to time, the “Security Agreement”), in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and to induce the Lenders to extend credit under the Credit Agreement, the Grantors hereby agree with the Collateral Agent as follows:

**Section 1. Defined Terms.** Unless otherwise defined herein, capitalized terms used herein and not defined have the meaning given to them in the Security Agreement, or if not defined therein, in the Credit Agreement.

**Section 2. Confirmation of Grant of Security Interest in Trademarks.** The Grantors hereby confirms that pursuant to the Security Agreement they granted as security for the payment or performance, as the case may be, in full of the Secured Obligations, to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a continuing security interest (the “Security Interest”) in, all of the Grantors’ right, title or interest in or to any and all of the Owned Trademarks, including those listed on Schedule I hereto, and all proceeds of the Owned Trademarks, now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (in each case, other than Excluded Assets).

**Section 3. Purpose.** This Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of the security interest mentioned in Section 2 above with the United States Patent and Trademark Office. This Trademark Security Agreement is expressly subject to the terms and conditions of the Security Agreement. The Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

**Section 4. Counterparts.** This Trademark Security Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery by facsimile, pdf or other electronic means of an executed counterpart of a signature page to this Trademark Security Agreement shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective as to the Grantors when a counterpart hereof executed on behalf of the Grantors shall

have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon the Grantor and the Collateral Agent and their respective permitted successors and assigns. The Collateral Agent may also require that any such documents and signatures delivered by facsimile, .pdf or other electronic means be confirmed by a manually signed original thereof; provided that the failure to request or delivery the same shall not limit the effectiveness of any document or signature delivered by facsimile, .pdf or other electronic means.

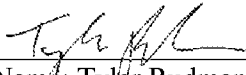

**Section 5. Recordation.** The Grantors authorize and request that the Commissioner of Patents and Trademarks or any other applicable government officer in the United States Patent and Trademark Office record this Agreement.

**Section 6. Governing Law.** This Trademark Security Agreement and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Trademark Security Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York, without giving effect to its principles or rules of conflict of laws to the extent such principles or rules are not mandatorily applicable by statute and would require or permit the application of the laws of another jurisdiction.

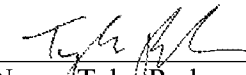

[Signature pages follow]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
