NOW, THEREFORE, in order to induce the Purchaser to enter into the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Borrower hereby agrees with the Purchaser as follows:

1. To secure the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations (as defined in the Purchase Agreement), the Borrower does hereby grant to the Purchaser a continuing security interest in and to the Marks and all General Intangibles connected with the use of or related to any and all Marks (including without limitation, all goodwill of the Borrower and its business, products and services appurtenant to, associated with or symbolized by any and all Marks and the use thereof), together with all registrations of the Marks and the applications therefor, all in accordance with and subject to the terms and provisions of the Security Agreement.

Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from Purchaser's continuing security interest in all Marks, whether or not listed on Schedule 1.
