TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of August 29, 2023 (this “Trademark Security Agreement”), made by REVEAL DATA CORPORATION, a Delaware corporation, BRAINSPACE CORPORATION, a Texas corporation, TECHNICALLY CREATIVE, LLC, a Delaware limited liability company, VERTICAL DISCOVERY HOLDINGS, LLC, a Delaware limited liability company, IPRO TECH, LLC, an Arizona limited liability company and LOGIK SYSTEMS, INC., a Delaware corporation (each a “Grantor”, and collectively the “Grantors”), in favor of ACQUIOM AGENCY SERVICES LL, as Collateral Agent (as defined in the Credit Agreement referred to below).

Reference is made to the Credit Agreement, dated as of 29, 2023 (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among E-DISCOVERY ACQUIRECO, LLC, a Delaware limited liability company (the “Borrower”), E-DISCOVERY INTERMEDIATE HOLDINGS, LLC, a Delaware limited liability company (“Holdings”), each Lender party thereto from time to time, ACQUIOM AGENCY SERVICES LL, as Administrative Agent and Collateral Agent, and the other parties thereto from time to time.

WHEREAS, each Grantor is party to the Security Agreement, dated as of August 29, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among Borrower, Holdings, the other Grantors from time to time party thereto and the Collateral Agent for the benefit of the Secured Parties pursuant to which each Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and to induce the Lenders to extend and/or maintain credit under the Credit Agreement, each Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms used herein and not defined have the meaning given to them in the Security Agreement, or if not defined therein, in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademarks. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in, all of each Grantor’s right, title or interest in or to any and all of the Owned Trademarks included in the Collateral (the “Trademark Collateral”), including those listed on Schedule I hereto, and all proceeds of, and all causes of action arising prior to or after the date hereof for infringement of or unfair competition with respect to, any of the Trademark Collateral and all goodwill associated with such Trademark Collateral, now owned or at any time hereafter acquired by each Grantor or in which each Grantor now has or at any time in the future may acquire any right, title or interest.

SECTION 3. Security Agreement. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the

Collateral Agent pursuant to the Security Agreement, and the Collateral Agent and each Grantor hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery by telecopier, .pdf or other electronic imaging means of an executed counterpart of a signature page to this Trademark Security Agreement shall be effective as delivery of an original executed counterpart of this Trademark Security Agreement. This Trademark Security Agreement shall become effective as to each Grantor when a counterpart hereof executed on behalf of each Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon each Grantor and its permitted successors and permitted assigns. The words "execution," "signed," "signature," and words of like import in this Trademark Security Agreement or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Laws, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 5. Recordation. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 6. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 7. Termination. Upon the termination of the Security Agreement in accordance with its terms, the Collateral Agent shall execute, acknowledge, and deliver to each Grantor an instrument in writing in recordable form releasing the security interest in the Trademark Collateral under this Trademark Security Agreement.

SECTION 8. The Collateral Agent. The Collateral Agent is entering into this Trademark Security Agreement not in its individual capacity but solely in its capacity as Collateral Agent under the Credit Agreement. All rights, protections, indemnities and benefits granted to the Collateral Agent in the Credit Agreement or any other Loan Documents are hereby incorporated as if fully set forth in this Trademark Security Agreement, and each reference in such Sections of the Credit Agreement to the "Agreement", "herein", "hereto", "hereby", "hereunder" and like terms shall be deemed to refer to this Trademark Security Agreement. The permissive authorizations, entitlements, powers and rights granted to the Collateral Agent herein

shall not be construed as duties. Any exercise of discretion on behalf of the Collateral Agent shall be exercised in accordance with the terms of the Credit Agreement.

[Signature pages follow]

IN WITNESS WHEREOF, the Grantors have caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
