TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of August 21, 2023 (this "**Agreement**"), is made by each of the signatories hereto indicated as a Grantor (each a "**Grantor**" and collectively, the "**Grantors**") in favor of Computershare Trust Company, N.A., as collateral agent for the Secured Parties (in such capacity and together with its successors and assigns in such capacity, the "**Collateral Agent**" or the "**Agent**").

WHEREAS, pursuant to that certain Credit Agreement dated as of August 21, 2023 by and among B. Riley Financial, Inc., a Delaware corporation ("**Ultimate Parent**"), BR Financial Holdings, LLC, a Delaware limited liability company (the "**Borrower**"), each of the lenders from time to time party thereto (the "**Lenders**"), Nomura Corporate Funding Americas, LLC, as administrative agent for the Lenders (in such capacity, together with its successors and permitted assigns in such capacity, the "**Administrative Agent**"), and the Collateral Agent (as the same may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and conditions set forth therein; and

WHEREAS, as a condition precedent to the obligation of the Lenders to make their respective extension of credit to the Borrower under the Credit Agreement, the Grantors entered into a Guarantee and Collateral Agreement dated as of August 21, 2023 (as amended, restated, supplemented or otherwise modified from time to time, the "**Guarantee and Collateral Agreement**") between each of the Grantors and the Collateral Agent, pursuant to which each of the Grantors assigned, transferred and granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in the Trademark Collateral (as defined below);

WHEREAS, pursuant to the Guarantee and Collateral Agreement, each Grantor agreed to execute this Agreement, in order to record the security interest granted to the Collateral Agent for the benefit of the Secured parties with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms

Capitalized terms used but not defined herein shall have the respective meanings given thereto in the Guarantee and Collateral Agreement, and if not defined therein, shall have the respective meanings given thereto in the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral

SECTION 2.1 Grant of Security. Each Grantor hereby assigns and transfers to the Collateral Agent, and hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, all of the following property, in each case, wherever located and now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "**Trademark Collateral**") as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

all domestic, foreign and multinational trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, trade styles, logos, Internet domain names, other indicia of origin or source identification, and general intangibles of a like nature, whether registered or unregistered, and with respect to any and all of the foregoing: (i) all registrations and applications for registration thereof including, without limitation, the registrations and applications listed in Schedule A attached hereto, (ii) all extension and renewals thereof, (iii) all of the goodwill of the business connected with the use of and symbolized by any of the foregoing, (iv) all rights to sue or otherwise recover for any past, present and future infringement, dilution, or other violation thereof, (v) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto, and (vi) all other rights of any kind accruing thereunder or pertaining thereto throughout the world.

SECTION 2.2 Certain Limited Exclusions. Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto and acceptance thereof by the United States Patent and Trademark Office, to the extent, if any, that, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of or render void or voidable, or result in the cancellation of, such intent-to-use trademark application or any registration that may issue therefrom under applicable federal law.

SECTION 3. Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Guarantee and Collateral Agreement, and the Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control. The Collateral Agent is executing this Agreement solely as Collateral Agent under the Credit Agreement. All rights, privileges, protections and immunities (including, without limitation, the rights to indemnification, exculpation and reimbursement) in favor of the Collateral Agent under the Credit Agreement are incorporated herein by reference. It is understood that any reference to the Collateral Agent taking any action, making any determinations, requests, directions, consents or elections, deeming any action or document reasonable, appropriate, necessary, appropriate or satisfactory, exercising discretion, or exercising any rights or duties under this Agreement shall be pursuant to written direction from the Administrative Agent.

SECTION 4. Governing Law

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND EFFECT OF PERFECTION OF THE SECURITY INTERESTS).

SECTION 5. Counterparts

This Agreement shall be valid, binding, and enforceable against a party only when executed and delivered by an authorized individual on behalf of the party by means of (i) any electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including relevant provisions of the UCC (collectively, “*Signature Law*”); (ii) an original manual signature; or (iii) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

[Remainder of page intentionally left blank]

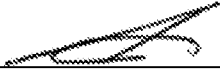

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
