## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Assignment") is dated as of May 25, 2023 (the "Effective Date") by and among Stanley Black & Decker, Inc., and Stanley Logistics, L.L.C. (collectively, "Assignors"), and Allegion Access Technologies LLC, (f/k/a Stanley Access Technologies LLC) an indirect wholly-owned subsidiary of Allegion plc, an Irish public limited company ("Assignee") (Assignors and Assignee each a "Party", and, collectively, the "Parties").

**WHEREAS**, Assignee and certain of Assignors and their affiliated entities (among others) have entered into a Transaction Agreement, dated as of April 22, 2022 (as amended from time to time by the parties thereto, "Transaction Agreement") and Intellectual Property Assignment Agreement, dated July 5, 2022 ("IP Assignment Agreement"); and

**WHEREAS**, pursuant to Section 2 (Recordation and Further Actions) of the IP Assignment Agreement, Assignors wish to confirm they sold conveyed, transferred, and assigned and delivered to Assignee, the Assigned Trademark Rights (as defined below), and the Parties wish to execute and deliver this Assignment for recording with the United States Patent and Trademark Office ("USPTO") and its respective counterparts in any applicable jurisdiction worldwide ("Counterpart Offices").

**NOW THEREFORE**, in consideration for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and agreed, and intending to be legally bound hereby, the Parties agree as follows:

- 1. Assignment:** Assignors confirm that as of July 5, 2022, they irrevocably sold, conveyed, transferred, assigned and delivered to Assignee, and Assignee accepted, (i) all of Assignors' right, title, and interest in and to the trademarks set forth on Exhibit A below, together with all goodwill associated therewith, (ii) any and all rights of registration, maintenance, renewal, and protection with respect to any and all of the foregoing, (iii) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing, (iv) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages, and (v) all other rights, privileges, protections or obligations, liabilities and responsibilities of any kind whatsoever of Assignors accruing under the foregoing (items (i) through (v), collectively, the "Assigned Trademark Rights").
- 2. Recordation and Further Assurances:** Assignors hereby authorize the Commissioner for Trademarks in the USPTO and any other governmental officials of any Counterpart Offices to record and register this Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable request, Assignors shall take such reasonable steps and actions, and provide such reasonable cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other

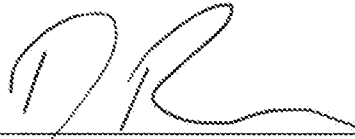

documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademark Rights to Assignee, or any assignee or successor thereto.

3. **Counterparts:** This Assignment may be executed in one or more counterparts, and by the different parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Assignment by email or other electronic means (including portable document format) shall be as effective as delivery of a manually executed counterpart of this Assignment.
4. **Governing Law:** This Assignment and any disputes or controversies arising out of or relating to this Assignment or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of Delaware, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of Delaware.
