As used herein “**Company Intellectual Property**” means Intellectual Property owned or used by the Seller.

(b) **Schedule 3.12(b)** hereto contains a complete and accurate list of all Company Intellectual Property that is owned by the Seller included in clauses (i) – (iii) and (vi) of the definition of Intellectual Property that has been registered or for which an application for registration has been filed. The Seller is the sole and exclusive owner of the Company Intellectual Property purported to be owned by the Seller.

(c) **Schedule 3.12(c)** contains a complete and accurate list of (i) all licenses and other rights granted by the Seller to any Person with respect to any Company Intellectual Property (excluding non-exclusive licenses granted in the ordinary course of business to the Seller’s customers) and (ii) all licenses and other rights granted by any Person to the Seller with respect to any Company Intellectual Property (excluding so-called “off-the-shelf” and “shrink wrap” software licensed to the Seller in the ordinary course of business and easily replaceable without material expense), in each case identifying whether or not each such license is exclusive or non-exclusive (collectively for clauses (i) and (ii), the “**IP Licenses**”). Without limiting the foregoing, except as disclosed on **Schedule 3.12(f)**, the Seller has, and enforces, a policy requiring each of its

To the Knowledge of Seller, no Person employed by the Seller has employed or proposes to employ any trade secret or any information or documentation proprietary to any other Person in connection with the Business.

The Seller has provided for the recovery and security of all business data that is material to the conduct of the Business, as well as of its management information systems, in a commercially reasonable manner in accordance with normal industry practices.

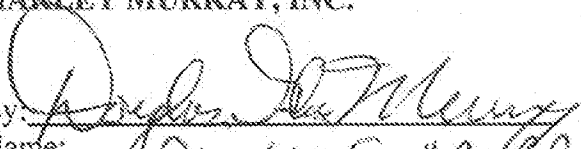

**3.14 Accounts Receivable.** With respect to the accounts receivable of the Seller, all accounts receivable are valid and collectible except for any account receivable in the bad debt reserve shown on the Financial Statements and (i) no customer has disputed the payment of the accounts receivable of the Seller or the quality of goods and services which gave rise to them, other than for immaterial disputes in the ordinary course of business, (ii) the Seller has not directly or indirectly solicited any customer to pay the amount thereof in a manner which is outside the normal terms of payment and (iii) the Seller has not discounted or entered into any factoring transaction with respect to any accounts receivable including any accounts receivable on the books of the Seller as of the date hereof. All accounts receivable are bona fide receivables arising in the Seller's ordinary course of business, representing bona fide transactions actually made on or prior to the Closing Date. No Person has any Lien on such receivables or any part thereof, and no agreement for deduction, free goods, discount or other deferred price or quantity adjustment has been made with respect to any such receivables.

**3.15 Customer Claims.** Except as disclosed on Schedule 3.15, since January 1, 2015, there have been no claims against the Seller alleging any defects in its services or products, or alleging any failure of the products or services of the Seller to meet applicable specifications, design documentation, warranties, contracts or commitments. The products and services of the Seller have been performed in all material respects in accordance with all applicable specifications, design documentation, warranties, contracts and commitments.
