This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "**Assignment**") is made and entered into as of December 1, 2021 (the "Effective Date"), by and between The Lash Lounge Franchise, LLC, a Texas limited liability company ("**Assignor**"), and The Lash Franchise Holdings, LLC, a Delaware limited liability company ("**Assignee**") (together, the "**Parties**" or each a "**Party**").

### RECITALS

**WHEREAS**, Assignor owns all right, title, and interest in and to: i) the trademark registrations listed on Appendix 1 (the "**Intellectual Property**");

**WHEREAS**, Assignee desires to obtain, and Assignor desires to transfer and assign to Assignee, all of Assignor's right, title and interest in and to the Intellectual Property according to the terms of this Assignment; and

**WHEREAS**, the parties are entering into this Assignment to confirm and reflect the assignment of all of Assignor's right, title and interest in and to the Intellectual Property to Assignee.

### AGREEMENT

**NOW, THEREFORE**, in consideration of the foregoing and of the mutual covenants, promises, and agreements of the parties, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby sells, assigns, transfers and conveys to Assignee, its successors, assigns and legal representatives, and Assignee hereby accepts and receives, Assignor's entire worldwide right, title and interest in and to the Intellectual Property, as-is and without any warranties, guaranties, and including all associated goodwill, all common law rights, all rights of priority in any country as may now or hereafter be granted to Assignor by law, all applications, divisions, reissues, reexaminations, renewals, registrations, substitutions, continuations, continuations-in-part, or extension of any of the foregoing and any foreign counterparts thereof, and all other corresponding rights that are or may be secured under the laws of the United States, any foreign country or jurisdiction or any multilateral organization, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, all claims for damages and the right to sue for, collect, settle or release any past, present or future infringement, misuse or misappropriation of any of the Intellectual Property, in each case for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America or equivalent authority elsewhere in the world to record this Assignment.
2. Assistance. From time to time, as and when requested by Assignee, Assignor shall execute and deliver, or cause to be executed and delivered, all documents and instruments and shall take, or cause to be taken, all further or other actions as Assignee may reasonably deem necessary or desirable to consummate the transactions contemplated by this Assignment, including, without limitation, executing and delivering to Assignee such assignments, deeds, bills of sale, consents, powers of attorney, declarations, affidavits and other instruments as Assignee or its counsel may reasonably request as necessary or desirable for such purpose.

3. Assumption. In partial consideration for this Assignment, Assignee agrees to assume and discharge any and all past expenses, costs, and liabilities incurred or accrued in connection with the application, prosecution, defense, of the Trademarks.
4. Execution; Counterparts. This Assignment may be executed in any number of original, facsimile or portable document format (.pdf) counterparts, each of which when so executed and delivered shall be an original, but all of which together shall constitute one instrument.
5. Headings. The headings in this Assignment are for reference only and shall not affect the meaning, construction, or interpretation of any provisions hereof.
6. Governing Law. This Assignment shall be governed by, and construed, interpreted, and applied in accordance with, the laws of the State of Delaware applicable to contracts made and performed in such state, without reference to such state's principles of conflict of laws.
7. No Amendment. This Assignment may not be amended, modified, or supplemented, except by an instrument in writing signed by the parties hereto.
8. Reformation; Severability. If any term or other provision of this Assignment is invalid, illegal, or incapable of being enforced by any Law or public policy, all other terms or provisions of this Assignment shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, such provision shall be modified so as to affect the original intent of the parties hereto as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date set forth above.
