TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of dated as of September 15, 2023, by and among Watchwire LLC, a New York limited liability company (the “**Grantor**”), in favor of Wells Fargo Bank, National Association, in its capacity as administrative agent pursuant to the Credit Agreement (as defined in the Security Agreement, defined below) (in such capacity, the “**Administrative Agent**”), for the benefit of the Secured Parties.

WITNESSETH:

WHEREAS, the Grantor is party to a Security Agreement dated as of December 1, 2021 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Administrative Agent, for the benefit of the Secured Parties, pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Administrative Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Administrative Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement and the Credit Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. The Grantor hereby pledges and grants to the Administrative Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of the Grantor: all Trademarks of the Grantor, including those listed on Schedule I attached hereto, and all goodwill connected with the use of and symbolized thereby.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms of which are incorporated herein by reference. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the parties otherwise agree in writing.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof with respect to the Grantor, the Administrative Agent shall, at the expense of the Grantor, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks under this Trademark Security Agreement.

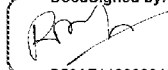

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed counterpart of a signature page of this Trademark Security Agreement by telecopier or in electronic (*i.e.*, “pdf” or “tif”) format shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement. The words “execution,” “signed,” “signature,” and words of like import relating to this Trademark Security Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic

Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.
