INTELLECTUAL PROPERTY ASSIGNMENT

A. PATENT ASSIGNMENT: For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, OurPet's Company (hereinafter ASSIGNOR) assigns all right, title and interest in and to the inventions as set forth in the United State Patents and/or Patent Applications listed in the attached **Schedule A** to Cosmic Pet, LLC (hereinafter ASSIGNEE), including any and all divisions or continuations and Convention applications based in whole or in part on said invention or upon said application, including the right to make applications for Letters Patents throughout the world in respect to the invention and to claim priority under the International Convention for the Protection of Industrial Property, and in and to any and all Letters Patent of any country which may issue on any such application or for said invention, including any and all reissues, reexaminations, or extensions, to be held and enjoyed by said ASSIGNEE, its successors, legal representatives and assigns to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made;

The ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all such Letters Patent to said ASSIGNEE, its successors or assigns in accordance herewith;

The ASSIGNOR warrants and covenants that it has the full and unencumbered right to sell and assign the interests herein sold and assigned and that it has not executed and will not execute any document or instrument in conflict herewith;

The ASSIGNOR hereby grants the firm of Global IP Counselors, LLP the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment.

B. TRADEMARK ASSIGNMENT: For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR assigns all right, title and interest in and to the Trademarks listed in the attached **Schedule B** to Cosmic Pet, LLC (ASSIGNEE), including any and all common law rights, registrations and applications therefor, together with goodwill of the business connected with the use of each Trademark and symbolized thereby, and any and all accrued rights of action, royalties or damages for any past or existing infringement or misappropriation of any such rights, in the United States and all foreign countries.

C. OTHER INTELLECTUAL PROPERTY ASSIGNMENT: For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR assigns all right, title and interest in and to any and all remaining (not including those rights in Schedules A and B) intellectual property to Cosmic Pet, LLC (ASSIGNEE), including any and all copyrights, common law rights, registrations and applications therefor, together with goodwill of the business connected with the use of each Trademark and symbolized thereby, and any and all accrued rights of action, royalties or damages for any past or existing infringement or misappropriation of any such rights, in the United States and all foreign countries.
