## ASSIGNMENT OF TRADEMARKS, DOMAIN NAMES, AND INTERNET ACCOUNTS

This ASSIGNMENT OF TRADEMARKS (this "Assignment") is made and entered into as of September 18, 2023, by and among NETSAPIENS, a Delaware corporation located at 1200 Prospect St. Suite 200, La Jolla, CA 92037 ("Seller"), and Crexendo, Inc., a Nevada corporation located at 1615 South 52nd Street, Tempe, AZ 85281 ("Buyer"). Capitalized terms used and not otherwise defined herein have the meanings given to such terms in the Asset Purchase Agreement dated as of the date hereof by and among Seller and Buyer (the "Purchase Agreement").

**WHEREAS**, Seller Parties represent that they own all rights, title and interest in, to, and under the trademarks and trademark applications listed in Exhibit A (the "Trademarks"), together with the goodwill of the business symbolized by the Trademarks;

**WHEREAS**, pursuant to the Purchase Agreement, Seller Parties have agreed to assign to Buyer all rights, title and interest in, to, and under the Assigned Properties; and

**WHEREAS**, as a condition to the closing of the transactions contemplated by the Purchase Agreement, Seller Parties and Buyer have agreed to enter into this Assignment.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and pursuant to the terms and conditions contained herein and in the Purchase Agreement, Seller Parties and Buyer hereby agree as follows:

1. **Assignment.** Seller Parties hereby irrevocably sell, assign, convey, transfer and deliver unto Buyer, and Buyer hereby accepts from Seller Parties, Seller Parties' entire right, title and interest in, to and under the Assigned Properties, including, without limitation, all statutory and common law rights therein, together with the goodwill of the business symbolized by and associated with the Assigned Properties, all rights in and to all income, royalties, damages and payments now or hereafter due or payable with respect thereto, all causes of action (whether in law or in equity) with respect thereto, and the right and standing to sue for, counterclaim and recover damages for any past, present or future infringement of the Assigned Properties, to have and to hold the same, for the full duration of all such rights, and any renewals and extensions thereof, as fully and entirely as the same would have been held by Seller Parties had this Assignment not been made. For avoidance of doubt, this assignment includes all common law rights to the Trademarks and all registration rights conferred by the United States Trademark Office or other foreign governmental agencies, including national trademark offices.

2. **Further Assurances; Appointment.** From time to time, at the reasonable request of Buyer, Seller Parties shall execute and deliver, or cause to be executed and delivered, such documents and instruments and shall take, or cause to be taken, such further or other actions as may be reasonably necessary to carry out the purposes set forth in this Assignment. Additionally, each Seller Party hereby appoints Buyer as such Seller Party's true and lawful attorney in fact for the sole purpose of this Assignment, with full power of substitution in such Seller Party's name and stead, to take any and all reasonable steps, including proceedings at law, in equity or otherwise, to execute, acknowledge and deliver any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and causes of action more effectively in Buyer or to protect the same or to enforce any claim or right of any kind with respect thereto. This includes,

but is not limited to, any rights with respect to the Assigned Properties that may have accrued in Seller Parties' favor from the respective date of first creation of any of the Assigned Properties to the date of this Assignment. The foregoing power is coupled with an interest and as such is irrevocable.

3. No Waiver or Modification; Subject to Purchase Agreement. Nothing contained in this Assignment will be construed as a waiver of or limitation upon any of the rights or remedies of Buyer as set forth in, or arising in connection with, the Purchase Agreement, or any instrument or document delivered by Seller Parties pursuant to the Purchase Agreement. This Assignment is not intended to create any broader obligations of Seller Parties or Buyer than those contemplated in the Purchase Agreement, and in the event of any ambiguity or conflict between the terms hereof and the Purchase Agreement, the terms of the Purchase Agreement will govern and control. Neither this Assignment nor any term hereof may be changed, waived, discharged or terminated other than by the terms of a written instrument signed by Seller Parties and Buyer.

4. Headings. The headings contained in this Assignment are included for purposes of convenience only and do not affect the meaning or interpretation of this Assignment.

5. Governing Law. This Assignment is governed by and construed and enforced in accordance with the laws of the State of Delaware, without regard to the principles of conflict of laws.

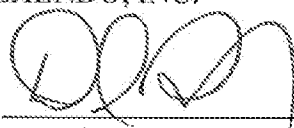

6. Counterparts; Electronic Signatures. This Assignment may be executed in separate counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. Delivery of an executed signature page to this Assignment by facsimile or other electronic transmission (including documents in PDF format) will be effective as delivery of a manually executed counterpart to this Assignment.
