**WHEREAS**, in connection with the Credit Agreement, the Grantors have entered into a Pledge and Security Agreement with the Agent dated as of the date hereof (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), and pursuant to the Security Agreement, each Grantor has granted to the Agent a security interest in substantially all of such Grantor’s personal property, including, without limitation, the Collateral referred to in Section 1 below; and

**WHEREAS**, each Grantor has agreed to execute this Agreement in respect of its Collateral for recording with the Canadian Intellectual Property Office, the United States Trademark and Patent Office, the United States Copyright Office and any other office in which a security interest in the Collateral may be recorded under the laws of any other applicable jurisdiction;

**NOW, THEREFORE**, in consideration of the premises and the mutual covenants and agreements hereinafter set forth, the Grantors and the Agent agree as follows:

**1. Grant of Security.** Each Grantor hereby grants to the Agent a security interest in and to all of such Grantor’s right, title and interest in and to all Patents, Trademarks and Copyrights, as defined below (collectively, the **Collateral**):

(a) all present and future right, title, and interest in and to: (a) any and all patents, patent applications and industrial designs; (b) all inventions and improvements described and claimed therein; (c) all reissues, divisions, continuations, renewals, extensions, and continuations-in-part thereof; (d) all income, royalties, damages, claims, and payments now or hereafter due or payable under and with respect thereto, including, without limitation, damages and payments for past and future infringements thereof; (e) all rights to sue for past, present, and future infringements thereof; and (f) all rights corresponding to any of the foregoing throughout the world, including, but not limited to, the patents set forth in Schedule A hereto, as Schedule A may be supplemented from time to time by supplements to this Agreement which may be executed and delivered by any Grantor to the Agent from time to time (the “**Patents**”);

(b) all present and future right, title, and interest in and to the following: (a) all trademarks (including service marks), trade names, trade dress, and trade styles and the regis-
