TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (the “Assignment”), effective as of August 1, 2023 (“Effective Date”), is by and between Bryant Bertrand (“Assignor”), and Jameson, LLC, a Delaware limited liability company (“Assignee”).

WHEREAS, Assignor desires and has agreed to assign to Assignee, and Assignee desires to accept all right, title and interest in and to Assigned Trademark Rights (as defined below).

NOW THEREFORE, in consideration of the foregoing recital and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor and Assignee hereto agree as follows:

1. Assignor hereby sells, conveys, assigns, transfers, and delivers, to Assignee and its successors and assigns all of its right, title, and interest, throughout the world, in, to and under the RONIN trademark, including all associated logos and design variations, and all goodwill associated therewith, all applications, registrations (including as identified on Exhibit A), and common law rights therein, and all income, royalties, fees, damages, payments and proceeds earned or accrued as of the Effective Date or thereafter with respect thereto, and in and to any and all causes of action (either in law or in equity), and the right to enforce any rights and file any causes of action, including the right to recover damages, for any past, present, or future infringement or misappropriation of any of the foregoing (collectively, the “Assigned Trademark Rights”), in each case free and clear of all liens and other encumbrances.

2. Assignor hereby agrees, at any time or from time to time, at the reasonable written request of Assignee, to execute, acknowledge and deliver such further instruments of sale, assignment, transfer, conveyance, delivery or assumption and to take such other actions as Assignee may reasonably request in order to more effectively consummate the transactions contemplated by this Assignment.

3. Assignee may record this Assignment with the United States Patent and Trademark Office and with comparable offices in other jurisdictions throughout the world, as well as with any other United States or foreign government office as may be necessary or appropriate. All costs associated with any such registrations or recordations shall be paid by Assignee.

4. This Assignment and all disputes relating thereto shall be governed by and construed in accordance with the internal Laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would otherwise require the application of the Laws of any jurisdiction other than the State of Delaware.

5. This Assignment may be executed simultaneously in multiple counterparts, and in separate counterparts (including via portable document (PDF) or other digital means), each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
