TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this “Assignment”) is dated as of July 3, 2023 (“Effective Date”), and is made from Johnson & Johnson Surgical Vision, Inc., a corporation organized under the laws of Delaware (“Assignor”), to Bausch + Lomb Ireland Limited, Private Company Limited by Shares under the laws of the Republic of Ireland (“Assignee”).

WITNESSETH:

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated June 13, 2023, by and among Assignor, AMO Ireland, a company incorporated and registered under the laws of the Cayman Islands, Bausch + Lomb Corporation, a company organized under the laws of Canada, and Assignee (the “APA”), Assignee has agreed to purchase, acquire and accept (either directly or through one or more of its affiliates), and Assignor has agreed to sell, convey, assign and transfer to Assignee, all of Assignor’s rights, title and interests in, to and under those certain trademark registrations and applications set forth in the attached Schedule A hereto (the “Trademarks”), together with the goodwill pertaining to the foregoing.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Assignment of Rights. Effective upon the Effective Date, Assignor hereby sells, conveys, assigns and transfers to Assignee all of its worldwide rights, title and interests in, to and under (a) the Trademarks, (b) the goodwill associated with the use of and symbolized by the Trademarks, and (c) any and all rights, benefits, privileges and proceeds under the Trademarks throughout the world, including, without limitation, (i) any and all claims by Assignor against any third party for past, present or future infringement, dilution, misappropriation, misuse or other violation of any of the Trademarks, and (ii) the exclusive right to apply for and maintain all registrations, renewals and/or extensions thereof.

2. Recordation. Effective upon the Effective Date, Assignee shall be responsible for and shall pay all costs relating to the transfer, assignment, registration, maintenance and prosecution of the Trademarks, including without limitation payment of any associated fees therefor, for the notarization, authentication, legalization or consularization of the signatures hereof, for the recording of such transfers and assignments with the appropriate governmental authorities, and for updating any public records for Trademarks filed with governmental authorities or other registration authorities (including any recording of a change of address); provided, however, that if any such cost shall be incurred by Assignor, Assignee shall, subject to receipt of satisfactory evidence of Assignor’s payment thereof, promptly reimburse Assignor for the amount of such costs and expense. Assignor agrees that Assignee shall have the rights to register and record its rights in the Trademarks and any other rights described in Section 1, in its name, in the United States Patent and Trademark Office or in any foreign equivalent thereof.

3. No Alteration. The sale, conveyance, assignment and transfer of the Trademarks under this Assignment are subject in all respects to the terms and conditions of the APA. The provisions herein neither enlarge nor diminish the representations, warranties, covenants, indemnities, agreements and remedies that the APA provides in respect of the Trademarks. In the event of any conflict or inconsistency between the terms of the APA and the terms hereof, the terms of the APA will govern.

4. Headings. The headings for this Assignment are for reference purposes only and do not affect in any way the meaning or interpretation of this Assignment.

5. Successors and Assigns. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, heirs, executors and administrators.

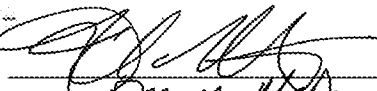

6. Governing Law. This Assignment, and all claims or causes of action based upon, arising out of, or related to this Assignment, shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the conflicts of law principles or rules of such state, to the extent such principles or rules are not mandatorily applicable by statute and would permit or require the application of the laws of another jurisdiction.

7. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, and together shall constitute one and the same agreement and shall become effective when one or more counterparts have been signed by each of the parties to this Assignment and delivered to the other party to this Assignment, it being understood that the parties to this Assignment need not sign the same counterpart. This Assignment, following its execution, may be delivered via .pdf or other form of electronic delivery, which shall constitute delivery of an executed original for all purposes.
