## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT dated as of October 6, 2023 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”) is made by THE BAZOOKA COMPANIES, INC., a Delaware corporation (the “Grantor”) in favor of Golub Capital Markets LLC, as Collateral Agent (in such capacity, the “Collateral Agent”) for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement or the Security Agreement referred to herein, as applicable.

WHEREAS, BLAST PARENT INC., a Delaware corporation (“Holdings”), BLAST BIDCO INC., a Delaware corporation (the “Borrower”), GOLUB CAPITAL MARKETS LLC, as Administrative Agent, Collateral Agent and an L/C Issuer, and each lender from time to time party thereto (collectively, the “Lenders” and, individually, a “Lender”) have entered into that certain Credit Agreement, dated as of October 6, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), pursuant to which the Lenders have severally agreed to extend credit to the Borrower, the L/C Issuers have severally agreed to issue Letters of Credit for the account of the Borrower, the Hedge Banks have agreed to enter into the Secured Hedge Agreements and the Cash Management Banks have agreed to enter into the Cash Management Agreements, in each subject to the terms and conditions set forth in the Credit Agreement.

WHEREAS, in connection with the Credit Agreement, the Grantor has entered into the Security Agreement, dated as of October 6, 2023 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in order to induce the Lenders to extend credit, of the L/C Issuers to issue Letters of Credit, of the Hedge Banks to enter into the Secured Hedge Agreements and of the Cash Management Banks to enter into the Cash Management Agreements.

WHEREAS, under the terms of the Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain Intellectual Property (as defined in the Security Agreement) of the Grantor, and has agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guaranty, the Grantor hereby assigns and pledges to the Collateral Agent for the benefit of the Secured Parties, and hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of the Grantor’s right, title and interest in and to the following (the “Collateral”):

(a) the United States registered Trademarks (as defined in the Security Agreement) and Trademarks for which United States applications are pending set forth in Schedule A hereto, together with all goodwill associated therewith.

provided, that, notwithstanding anything to the contrary in this Trademark Security Agreement, this Trademark Security Agreement shall not constitute a grant of a security interest in any Excluded Assets for

so long as such property constitutes Excluded Assets (provided that any Proceeds of Excluded Assets shall not constitute Excluded Assets unless and only for so long as such Proceeds also otherwise constitute Excluded Assets).

SECTION 2. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The Grantor authorizes and requests that the Commissioner for Trademarks record this Trademark Security Agreement.

SECTION 3. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Trademark Security Agreement or any document to be signed in connection with this Trademark Security Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

SECTION 4. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Governing Law. This Trademark Security Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

SECTION 6. Severability. In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

[Remainder of Page Intentionally Blank]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
