INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (the “*Agreement*”) is effective as of October 6, 2023 (the “*Effective Date*”) by and between Doskocil Manufacturing Company, Inc., a Texas corporation (the “*Assignor*”) and Pluto Opco (Cayman), LLC, a Cayman Islands limited liability company (“*Company*”) (each of Assignor and the Company, a “*Party*” and, collectively, the “*Parties*”).

WHEREAS, the Company is an affiliate of the Assignor;

WHEREAS, the Company desires to obtain from the Assignor, and the Assignor is willing to assign and transfer to the Company, the Assigned Intellectual Property (as defined below), in accordance with the terms and subject to the conditions of this Agreement; and

WHEREAS, concurrently with the execution of this Agreement, the Company is entering into that certain Intellectual Property License Agreement, by and between Company and Assignor (the “*License Agreement*”) to enable the Assignor and its affiliates to use the Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and the Company agree as follows:

AGREEMENT

1. Assignor hereby sells, assigns, transfers and delivers to the Company all of its right, title and interest, on a worldwide basis, in and to (a) the issued patents and patent applications described in **Exhibit A** attached hereto and (b) the registered trademarks and trademark applications, and the goodwill appurtenant thereto, described in **Exhibit B**, including, regarding all of the foregoing, (c) to the extent applicable, all issuances and registrations, applications, renewals, extensions, continuations, continuations-in-part, divisions, reexaminations or reissues of any of the foregoing; and (d) any and all proceeds, and other income, claims for damages or injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages (collectively, the “*Assigned Intellectual Property*”).

2. **Further Considerations.** Upon each request by the Company, without additional consideration, Assignor agrees to promptly execute documents, including further confirmatory assignments to the Company, as necessary or reasonably desirable, testify and take other acts at the Company’s expense as may be necessary or reasonably desirable to procure, maintain, perfect, and enforce the full benefits, enjoyment, rights, title and interest, on a worldwide basis of the Assigned Intellectual Property.

3. **Amendment; Waiver.** This Agreement may not be amended or supplemented except by a written instrument duly executed by the authorized representatives of all Parties. No term or provision of this Agreement will be considered waived by any Party, and no breach excused by any Party, unless such waiver or consent is memorialized in such a written instrument duly executed on behalf of the Party against whom the waiver is asserted. Failure, neglect or delay by a Party to enforce the provisions of this Agreement or its rights or remedies at any time will not be construed and will not be deemed to be a waiver of such Party’s rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice such Party’s right to take subsequent action.

4. **Severability.** If any provision in this Agreement shall be found or be held to be invalid or unenforceable, then the meaning of said provision shall be construed, to the extent feasible, so as to render the provision enforceable and if no feasible interpretation would save such provision, it shall be severed from the remainder of this Agreement which shall remain in full force and effect unless the severed provision is essential and material to the rights or benefits received by any Party. In such event, the Parties shall use best efforts to negotiate, in good faith, a substitute, valid and enforceable provision or agreement which most nearly affects the Parties' intent in entering into this Agreement.

5. **Governing Law.** This Agreement will be governed and construed in accordance with the laws of the State of New York without giving effect to any conflicts of laws principles that require the application of the law of a different state. Each Party hereby expressly consents to the personal jurisdiction of the state and federal courts located in New York, New York for any lawsuit filed there against such Party by another Party arising from or related to this Agreement.

6. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, and such counterparts together will constitute one and the same instrument. If this Agreement is executed in counterparts, no Party hereto shall be bound until each of the Parties have duly executed a counterpart of this Agreement.

7. **Entire Agreement.** This Agreement certain License Agreement, constitute the entire agreement of the Parties with respect to the subject matter of this Agreement, and supersede all previous communications, representations, understandings, and agreements, either oral or written, among the Parties with respect to such subject matter.

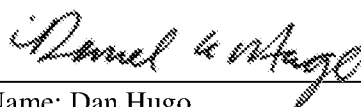

8. The provisions hereof shall inure to the benefit of, and be binding upon, the successors and assigns of the Parties.
