Section 1. Grant of Security. As collateral security for the payment and performance of the Secured Obligations, whether now existing or hereafter incurred, each Grantor hereby pledges, collaterally assigns and grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in and continuing lien on all of such Grantor’s right, title and interest in, to and under the following:

(a) All United States copyrights (including Community designs), including but not limited to copyrights in software and all rights in and to databases, and all Mask Works (as defined under 17 USC 901 of the US Copyright Act), whether registered or unregistered, moral rights, reversionary interests, termination rights, and, with respect to any and all of the foregoing: (i) all registrations and applications therefor including, without limitation, the registrations and applications referred to in **Schedule 1** hereto; (ii) all extensions and renewals thereof; (iii) all rights corresponding thereto throughout the world; (iv) all rights in any material which is copyrightable or which is protected by United States federal law, or the law of any State; (v) all rights to sue for past, present and future infringements thereof; (vi) all Proceeds of the foregoing, including licenses, royalties, income, payments, claims, damages and proceeds of suit; and (vii) all tangible property embodying the copyrights or such copyrighted materials (collectively, the “**Copyrights**”).
