## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of October 10, 2023 (this “Agreement”), by Aramsco, Inc., a Delaware Corporation; Safety Environmental Control, LLC, a Delaware Limited Liability Company; Striping Service and Supply, Inc., a Delaware Corporation; EZ Concrete Acquisition LLC, a Delaware Limited Liability Company (each, a “Grantor”) in favor of Jefferies Finance LLC, as administrative agent, security trustee and collateral agent for the Secured Parties (in such capacities, the “Administrative Agent”).

Reference is made to that certain Pledge and Security Agreement, dated as of October 10, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among the Grantors party thereto and the Administrative Agent. The Lenders (as defined below) have extended credit to the Borrower (as defined in Credit Agreement (as defined below)) subject to the terms and conditions set forth in that certain Credit Agreement, dated as of October 10, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among ASP Arcadia Intermediate Holdings, Inc., a Delaware corporation, as “Initial Holdings”, ASP Arcadia Merger Sub, Inc., a Delaware corporation (the “Initial Borrower” and, prior to the consummation of the Acquisition, the “Borrower”), following the consummation of the Acquisition, Aramsco Parent, Inc., a Delaware corporation (the “Company” and, following the consummation of the Acquisition, as successor by merger to the Initial Borrower, the “Interim Borrower”), following the consummation of the Closing Date Restructuring, Aramsco, Inc., a Delaware corporation (as successor by merger to the Interim Borrower, the “Borrower”), the lenders from time to time party thereto (the “Lenders”) and the Administrative Agent. Consistent with the requirements set forth in Sections 4.01 and 5.12 of the Credit Agreement and Section 4.03(c) of the Security Agreement, the parties hereto agree as follows:

SECTION 1. **Terms.** Capitalized terms used in this Agreement and not otherwise defined herein shall have the meanings specified in the Security Agreement (including any terms defined therein by reference).

SECTION 2. **Grant of Security Interest.** As security for the prompt and complete payment or performance, as the case may be, in full of the Secured Obligations, each Grantor, pursuant to the Security Agreement, did and hereby does grant to the Administrative Agent, its successors and permitted assigns, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of its rights, title and interest in, to or under all of the following assets (collectively, the “IP Collateral”):

- A. all Trademarks, including the Trademark registrations and pending applications in the United States Patent and Trademark Office, listed on Schedule I hereto;
- B. all Patents, including the issued Patent and pending Patent applications for registration in the United States Patent and Trademark Office, listed on Schedule II hereto;
- C. all Copyrights, including the Copyright registrations and pending applications for registration in the United States Copyright Office, listed on Schedule III; and
- D. all Proceeds of the foregoing;

in each case, solely to the extent the foregoing items constitute Collateral, it being expressly understood and agreed that the term “IP Collateral” (and any component definition thereof) shall not include any Excluded Asset.

SECTION 3. **Security Agreement.** The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the

event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 4. **Governing Law.** THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT (WHETHER IN TORT, IN CONTRACT (AT LAW OR IN EQUITY) OR OTHERWISE), SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 5. **Jurisdiction.** The consent to jurisdiction, consent to service of process, venue and waiver of jury trial provisions set forth in Section 7.15 and Section 7.16 of the Security Agreement shall apply to this Agreement, *mutatis mutandis*, to the same extent as if fully set forth herein.

SECTION 6. **Counterparts.** This Agreement and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Agreement (each, a “Communication”), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each party hereto agrees that any Electronic Signature on or associated with any Communication shall be valid and binding on each party hereto to the same extent as a manual, original signature and that, subject to the Legal Reservations (as defined in Credit Agreement), any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of each party hereto enforceable in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single Communication. For the avoidance of doubt, the authorization under this Section 6 may include use or acceptance by the Administrative Agent of a manually signed paper Communication which has been converted into electronic form (such as scanned into “.pdf” format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“Electronic Copy”), which shall be deemed created in the ordinary course of such Person’s (as defined in Credit Agreement) business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. The Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format, unless expressly agreed to by the Administrative Agent pursuant to the terms hereof or procedures approved by it; provided, that, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Secured Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any party hereto without further verification and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be as promptly as commercially practicable followed by such manually executed counterpart. For purposes hereof, “Electronic Record” and “Electronic Signature” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

SECTION 7. **Recordation.** Each Grantor hereby authorizes and requests that the Register of Copyrights, the Commissioner for Patents and the Commissioner for Trademarks, as applicable, and any other applicable Governmental Authority record this Agreement.

SECTION 8. **Release.** This Agreement shall continue in effect until the Termination Date, and the Liens granted hereunder shall automatically be released in the circumstances described in Article 8 of the Credit Agreement. In connection with any such termination or release, the Administrative Agent shall promptly execute (if applicable) and deliver to such Grantor, at such Grantor’s expense, all releases, termination statements, and other instruments as may be necessary or proper to release or reflect the release of the Administrative Agent’s security interest in the IP Collateral in accordance with Section 7.12 of the Security Agreement.
