ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (the “Agreement”) is entered into as of October 11, 2023 by and between BEDROCK AUTOMATION PLATFORMS, INC., a Delaware corporation, located at 160 Rio Robes, San Jose, California 95134 (the “Assignor”), and ANALOG DEVICES, INC., a Massachusetts corporation, located at 1 Analog Way, Wilmington, Massachusetts 01887 (the “Assignee”).

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns, transfers and conveys to Assignee, its entire right, title and interest in and to the trademarks and service marks listed in the attached Exhibit A (the “Assignor Assets”), together with the goodwill connected with and symbolized by the Assignor Assets, and any registrations and applications for registration of any of the Assignor Assets and any renewals or extensions of any of the foregoing, together with all rights, claims and privileges pertaining to any of the foregoing, including, without limitation, the right to prosecute and maintain registrations and applications for registration for any of the Assignor Assets, the right to claim priority in connection with any of the Assignor Assets pursuant to international law or international conventions, all causes of action Assignor may have for past, present or future infringement of any of the Assignor Assets and all rights Assignor has to sue and collect damages and payments for claims of past, present or future infringement of any of the Assignor Assets, the same to be held and enjoyed by Assignee to the full end of the term for which said trademarks or service marks are granted, as fully and entirely as the same could have been held and enjoyed by Assignor if this Agreement had not been made, together with all rights of actions to sue for past, present and future infringement thereof, including the right to collect, receive and recover any damages, royalties, or settlements for such past, present and future infringements, all rights to seek and obtain injunctive or other equitable relief, and any and all causes of action relating to any of the inventions or discoveries described in the Assignor Assets, subject to all existing encumbrances;

AND, for the same consideration, Assignor covenants that when requested, without charge to, but at the expense of the Assignee, to carry out in good faith the intent and purpose of this Agreement; the Assignor will disclose, or cause to be disclosed, all facts known to the Assignor relating to the Assignor Assets and their histories; the Assignor will do, execute, acknowledge, and deliver, or will cause to be done, executed, acknowledged and delivered, all and every such further acts, deeds, conveyances, transfers, assignments, powers of attorney and assurances as reasonably may be required, and in form and substance reasonably acceptable to Assignor, to effectively convey, transfer to and vest in Assignee, the Assignor Assets; the Assignor will provide reasonable assistance to the Assignee for aiding in securing, maintaining and enforcing proper intellectual property protection for the Assignor Assets, including but not limited to executing all rightful oaths, assignments, powers of attorney and other papers, as necessary, and to the extent Assignee requests and is unable to secure the necessary signatures from Assignor, the Assignor irrevocably appoints the Assignee as the Assignor’s attorney in fact with power to execute on the Assignor’s behalf any and all documents necessary to carry out the terms of this Agreement.

Assignor hereby authorizes and requests the Commissioner for Trademarks and similar authorities to issue and transfer the Assignor Assets to Assignee, and record and register Assignee, in each case as assignee and owner of the entire right, title and interest therein in accordance with

this Agreement.

The terms and conditions of this Agreement will inure to the benefit of Assignor, Assignee, and each party's successors, assigns and legal representatives and will be binding upon Assignor, Assignee, and each party's successors, assigns and legal representatives.

This Agreement may be executed (including by electronic or PDF signature) in any number of counterparts and by the parties on separate counterparts. Each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.
