RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT

This **RELEASE OF INTELLECTUAL PROPERTY SECURITY AGREEMENT** is made as of October 20, 2023 (the “**Release**”), by and between **BRAZEN TECHNOLOGIES, INC.**, a Delaware corporation (“**Grantor**”) and **WESTERN ALLIANCE BANK**, an Arizona corporation (“**Lender**”).

WHEREAS, Grantor is party to that certain Loan and Security Agreement with Lender, dated as of September 22, 2020 (as amended, restated, or otherwise modified from time to time, the “**Loan Agreement**”), pursuant to which, Grantor has granted to Lender for its benefit a security interest in all of Grantor’s right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral. All capitalized terms used but not defined herein shall have the respective meanings given to them in the Loan Agreement.

WHEREAS, Grantor is party to that certain Intellectual Property Security Agreement with Lender, dated as of September 22, 2020 (as amended, restated or otherwise modified from time to time, the “**IP Security Agreement**”), pursuant to which, Grantor granted to Lender for its benefit a security interest in all Grantor’s right, title and interest in, to and under its intellectual property (collectively, the “**Intellectual Property Collateral**”), including, without limitation, the following:

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work of authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held (collectively, the “**Copyrights**”);

(b) Any trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Grantor connected with and symbolized by such trademarks, including without limitation those set forth on Exhibit A attached hereto (collectively, the “**Trademarks**”);

(c) All patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same (collectively, the “**Patents**”);

(d) Any and all mask works or similar rights available for the protection of semiconductor chips or other products (collectively, the “**Mask Works**”);

(e) Any and all trade secrets, and intellectual property rights in computer software and computer software products now or hereafter existing, created, acquired or held;

(f) Any and all design rights that may be available to Grantor now or hereafter existing, created, acquired or held;

(g) Any and all claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(h) Any and all licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) Any and all amendments, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

(j) Any and all proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

WHEREAS, the Lender desires to release and restore all right, title and interest in and to the Intellectual Property Collateral to Grantor, including, without limitation, those set forth on Exhibit A attached hereto.

NOW, THEREFORE, Lender hereby terminates, releases, and discharges fully, the security interest in and lien on the Intellectual Property Collateral (including, without limitation, those set forth on Exhibit A hereto) as granted pursuant to the IP Security Agreement and any rights Lender may have in the Intellectual Property Collateral are hereby reconveyed, transferred, and assigned to the Grantor as applicable, without recourse, representation or warranty of any kind, and any right, title or interest of Lender in the Intellectual Property Collateral shall hereby cease and become void.

The Lender hereby agrees, at the sole expense of Grantor, to take such further actions and to execute such further documents as Grantor may reasonably request to effect and evidence this Release, including, without limitation, the execution of any filings, statements, amendments, recordations or other instruments required to release its interests in the applications or registrations of the Intellectual Property Collateral and record the chain of title accordingly with the United States Patent and Trademark Office.

[Signature Page Follows]

IN WITNESS WHEREOF, Lender has caused this Release to be duly executed and delivered by its duly authorized officer as of the date first above written.

WESTERN ALLIANCE BANK,
as Lender
