TRADEMARK SECURITY AGREEMENT

**This Trademark Security Agreement** (this “**Assignment**”) is made as of this 13th day of October, 2023, by the Assignors listed on the signature page hereof (each an “**Assignor**” and collectively the “**Assignors**”), in favor of **ASG FINANCE, LP**, in its capacity as agent for the Holders (together with its successors and assigns in such capacity, the “**Agent**”).

**WHEREAS**, pursuant to that certain Promissory Note and Security Agreement, dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the “**Note**”), by and among Select Interior Concepts, Inc., a Delaware corporation (the “**Company**”), ASG Intermediate Holding, LLC, a Delaware limited liability company (“**Holdings**”), each Subsidiary of the Company listed as a “Subsidiary Guarantor” on the signature pages thereto and each other Person from time to time joined as a party to the Note as a “Subsidiary Guarantor” in accordance with the terms thereof, (collectively with Holdings and the Company, the “**Note Parties**”), the persons party thereto as holders (collectively, the “**Holders**” and each individually, a “**Holder**”) and the Agent, the Holders agreed to make certain financial accommodations available to the Company from time to time pursuant to the terms and conditions thereof; and

**WHEREAS**, pursuant to the Note, each Assignor is required to execute and deliver to the Agent, for the benefit of the Holders, this Assignment.

**NOW, THEREFORE**, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Assignor hereby agrees as follows:

1. **Defined Terms.** All capitalized terms used but not otherwise defined herein have the respective meanings given to them in the Note.

2. **Grant of Security Interest in Trademark Collateral.** Each Assignor hereby grants to the Agent, for its benefit and for the ratable benefit of each Holder, a continuing security interest in and to and Lien on all of such Assignors’ right, title and interest in, to and under the following, whether now owned or existing or hereafter acquired or arising and wheresoever located (collectively, the “**Trademark Collateral**”):

(a) all of such Assignors’ trademarks, trademark applications, service marks, trade names and associated goodwill (collectively, “**Trademarks**”), and licenses for any of the foregoing (“**Licenses**”), including those U.S. trademarks and U.S. trademark applications referred to on **Schedule I** hereto;

(b) all reissues, continuations, continuations-in-part, substitutes, extensions or renewals of and improvements on the foregoing; and

(c) all products and proceeds of the foregoing, including any claim by such Assignors against third parties for past, present or future infringement or dilution of any Trademark or any Trademark licensed under any License;

provided however that the term “Trademark Collateral” shall be subject in all respects to the provisos set forth at the end of the definition of “Collateral” in the Note and shall therefore not include any of the assets, property, agreements, license, interests or rights as set forth therein.

**3. Security For Obligations.** This Assignment and the security interest created hereby secure the payment and performance of all the Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Assignment secures the payment of all amounts which constitute part of the Obligations and would be owed by each Assignor to the Agent, the Holders or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving such Assignors.

**4. Note.** The security interests granted pursuant to this Assignment are granted in conjunction with the security interests granted to the Agent, for the benefit of the Holders, pursuant to the Note. Each Assignor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Note, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Assignment is deemed to conflict with the Note, the provisions of the Note shall control.

**5. Authorization to Supplement.** If any Assignor shall obtain rights to any new Trademarks or Licenses for Trademarks, which constitute Collateral, this Assignment shall automatically apply thereto. Without limiting any Assignor’s obligations under this Section 5, each Assignor hereby authorizes the the Agent unilaterally to modify this Assignment by amending **Schedule I** to include any such new U.S. trademarks (to the extent provided in the Note), U.S. trademark applications or Licenses (to the extent provided in the Note) for Trademarks of such Assignors. Notwithstanding the foregoing, no failure to so modify this Assignment or amend **Schedule I** shall in any way affect, invalidate or detract from the Agent’s continuing security interest in all Collateral, whether or not listed on **Schedule I**.

**6. Counterparts.** This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Assignment or any other Note Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

**7. Construction.** Unless the context of this Assignment or any other Note Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or.” The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Assignment or any other Note Document refer to this Assignment or such other Note Document, as the case may be, as a whole and not to any particular provision of this Assignment or such other Note Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Assignment unless otherwise specified. Any reference in this Assignment or in any other Note Document to any agreement, instrument, or document shall

include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Note Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms of the Note) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns.
