TRADEMARK SECURITY AGREEMENT dated as of October 16, 2023 (this "Agreement"), among NCR VOYIX CORPORATION (f/k/a NCR CORPORATION), a Maryland corporation (the "Company"), each subsidiary of the Company party hereto and BANK OF AMERICA, N.A. ("Bank of America"), as Administrative Agent.

Reference is made to (a) the Credit Agreement dated as of October 16, 2023 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Company, the Foreign Borrowers from time to time party thereto, the Lenders and the L/C Issuers from time to time party thereto and Bank of America, as Administrative Agent and (b) the Guarantee and Collateral Agreement dated as of October 16, 2023 (as amended, supplemented or otherwise modified from time to time, the "Collateral Agreement"), among the Company, the Foreign Borrowers party thereto, the subsidiaries of the Company from time to time party thereto and Bank of America, as Administrative Agent. The Lenders and the L/C Issuers have agreed to extend credit to the Company subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders and the L/C Issuers to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The subsidiaries of the Company party hereto are Affiliates of the Company, have derived and will derive substantial benefits from the extension of credit to or for the benefit of the Company and its Subsidiaries pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders and the L/C Issuers to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, *mutatis mutandis*.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, domain names, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar office in any State of the United States of America or any other country or any political subdivision thereof, all extensions or renewals thereof, and all common law rights related thereto, including any of the foregoing listed on Schedule I, (b) all goodwill associated therewith or symbolized thereby and (c) all other assets, rights and interests that uniquely reflect or embody such goodwill.

Notwithstanding anything herein to the contrary, if any Grantor and the Administrative Agent shall agree that any asset included in the "Trademark Collateral" is an Excluded Asset, the security interest granted under this Section 2 shall thereafter not attach to, and the term "Trademark Collateral" shall not include, such Excluded Asset; provided that the security interest shall immediately attach to, and the Trademark Collateral shall immediately include, any such asset (or portion thereof) upon such asset (or such portion) ceasing to be an Excluded Asset.

SECTION 3. Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts; Integration; Effectiveness; Electronic Signatures. This Agreement may be executed using Electronic Signatures and each of the New Subsidiary and the Administrative Agent agree that Section 8.05 of the Collateral Agreement shall apply to this Agreement, mutatis mutandis, as if such Section 8.05 of the Collateral Agreement had been fully set forth herein.
