TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of October 10, 2023 (as it may be amended, restated, supplemented or otherwise modified or replaced from time to time, the “**Trademark Security Agreement**”) is made by Tempur-Pedic North America, LLC (the “**Grantor**”) in favor of Bank of America, N.A., as Administrative Agent (in such capacity, together with any successor administrative agent appointed pursuant to Section 9 of the Credit Agreement (as hereinafter defined) or otherwise, the “**Administrative Agent**”) for the ratable benefit of the holders of the Obligations (as defined in the Credit Agreement).

WHEREAS, the Grantor owns, or in the case of licenses, is a party to, the Trademark Collateral (as defined below);

WHEREAS, Tempur Sealy International, Inc. (the “**Parent Borrower**”), the Additional Borrowers (as defined therein), the Lenders (as defined therein) and the Administrative Agent are parties to the Credit Agreement dated as of October 10, 2023 (as it may be amended, restated, supplemented or otherwise modified, refinanced or replaced from time to time, the “**Credit Agreement**”);

WHEREAS, the Grantor and the Administrative Agent are parties to a Guarantee and Collateral Agreement dated as of October 10, 2023 (as it may be amended, restated, supplemented or otherwise modified or replaced from time to time, the “**Guarantee and Collateral Agreement**”) to, among other things, secure the obligations of the Grantor under the Credit Agreement; and

WHEREAS, pursuant to the Guarantee and Collateral Agreement, the Grantor has granted a security interest in certain property, including, without limitation, certain Intellectual Property (as such term is defined in the Guarantee and Collateral Agreement) of the Grantor to the Administrative Agent for the ratable benefit of the holders of the Obligations, and has agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office (the “**USPTO**”).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Defined Terms. All capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security. To secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the Obligations, the Grantor hereby grants to the Administrative Agent, for the ratable benefit of the holders of the Obligations, a continuing security interest in, any and all right, title and interest of the Grantor in, to and under all of the Grantor’s Trademarks referred to on Schedule 1 hereto, including all claims for, and rights to sue

for, past or future infringements of any of the foregoing and all income, royalties, damages and payments now or hereafter due or payable with respect to any of the foregoing, including damages and payments for past or future infringements thereof (all of the foregoing items or types of property being herein collectively referred to as the “**Trademark Collateral**”).

SECTION 3. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantor for the purpose of, among other things, recording the grant of security interest herein with the USPTO. The Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 4. Relationship to Guarantee and Collateral Agreement. The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Administrative Agent pursuant to the Guarantee and Collateral Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

SECTION 5. Miscellaneous. This Trademark Security Agreement may be executed in any number of counterparts, each of which were so executed and delivered shall be an original, but all of which shall constitute one and the same instrument. It shall not be necessary in making proof of this Trademark Security Agreement to produce or account for more than one such counterpart. This Trademark Security Agreement and any claim, controversy or dispute arising under or related to this Trademark Security Agreement (including, without limitation, any claims sounding in contract law or tort law arising out of the subject matter hereof) shall be governed by, and construed in accordance with, the law of the State of New York.

[Signature Page Follows]

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first written above.
