TRADEMARK SECURITY AGREEMENT

Trademark Security Agreement, dated as of November 3, 2023, by Team Health, LLC (the “**Grantor**”), in favor of WILMINGTON TRUST, NATIONAL ASSOCIATION, in its capacity as note collateral agent pursuant to the Indenture (in such capacity, the “**Collateral Agent**”).

W I T N E S S E T H:

WHEREAS, the Grantor is a party to a Security Agreement dated as of November 3, 2023 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Indenture, the Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor, wherever located or deemed located, now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest:

(a) all Trademark registrations and applications of such Grantor, including those listed on Schedule I attached hereto.

Notwithstanding the foregoing, no applications for registration of Trademarks filed in the United States Patent and Trademark Office on an intent-to-use basis will be included in the Collateral until such time as a statement of use has been filed and accepted by the United States Patent and Trademark Office with respect to such Trademark, to the extent that the grant of a security interest in any such Trademark application would adversely affect the validity or enforceability or result in cancellation or voiding of such Trademark application.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.11 thereof, the Collateral Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantor an instrument reasonably requested by such Grantor in writing in recordable form releasing the lien on and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts. Delivery of an executed signature page to this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Trademark Security Agreement.

SECTION 6. Intercreditor Agreements. Notwithstanding any provision to the contrary contained herein, the terms of this Trademark Security Agreement, the Liens created hereby and the rights and remedies of the Collateral Agent hereunder are subject to the terms of each applicable Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of this Trademark Security Agreement and an Intercreditor Agreement, the terms of that Intercreditor Agreement shall govern.

SECTION 7. Concerning the Collateral Agent. Wilmington Trust, National Association is entering into this Trademark Security Agreement solely in its capacity as Collateral Agent under the Security Agreement and "Note Collateral Agent" under the Indenture. In acting hereunder, the Collateral Agent shall be entitled to all of the rights, privileges, immunities and indemnities granted to it under the Security Agreement and granted to the "Note Collateral Agent" the Indenture.
