ASSIGNMENT OF TRADEMARKS

Reference is hereby made to that certain Asset Purchase Agreement, dated as of August 16, 2023 (the "APA"), by and among ARUZE GAMING AMERICA, INC. ("Assignor"), and EMPIRE TECHNOLOGICAL GROUP LIMITED (D/B/A PLAY-SYNERGY) ("Assignee"). Capitalized terms used but not defined herein shall have the meanings ascribed to them in the APA.

WHEREAS, pursuant to the APA, Assignor is required to execute and deliver this Assignment of Trademarks (this "Assignment Agreement") to Assignee at or prior to Closing; and

WHEREAS, Assignor has approved the Assignment (as defined below) upon the terms and subject to the conditions set forth in the APA and this Assignment Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the agreements set forth in the APA and this Assignment Agreement, Assignor hereby agrees as follows:

1. Assignment. For good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby irrevocably sell, transfer, convey and assign unto Assignee (or its designee) all right, title and interest in existence as of the Closing and as may exist in the future (the "Assignment"), in each case in, to and under any and all of the following (collectively, the "Trademarks"):

(a) the trademarks and trademark applications listed in Schedule 2.1(g) to the APA in which "Empire" is indicated in the "Final Allocation" column, a copy of which is attached hereto as Exhibit A, for which registration has been obtained or applied for, respectively, at the United States Patent and Trademark Office and all other jurisdictions, including all consumer recognition and goodwill associated therewith (collectively, the "Trademark Assets");

(b) any renewals and extensions of the trademark registrations or applications that are or may be secured under the laws of the United States and all foreign countries, in effect on or after the date hereof, together with those portions of the businesses to which the Trademark Assets pertain;

(c) the goodwill of the businesses in connection with which the Trademark Assets are, have been or will be used; and

(d) all rights of enforcement and recovery for past, present or future infringement or unauthorized use of the Trademark Assets.

2. Representations and Warranties. Assignor hereby represents, warrants and covenants that:

(a) Assignor has the full power and authority, and has obtained all third party consents, approvals and other authorizations required to enter into this Assignment Agreement and to carry out its obligations hereunder, including the Assignment of the Trademarks to Assignee.

(b) Assignor owns, and by this Assignment Agreement assigns to Assignee, all right, title and interest in, to and under the Trademarks, including all right, title and interest to sue for infringement of the Trademarks.

(c) Assignor has obtained any executed assignments for the Trademarks to the extent necessary to fully perfect all right, title and interest therein in accordance with governing law and regulations in each respective jurisdiction.

3. Further Assurances.

(a) Assignor hereby authorizes the commissioner for trademarks in the United States Patent and Trademark Office, and the officials of corresponding entities or agencies in any applicable jurisdictions, to record and register this Assignment upon request by Assignee.

(b) Assignor will, at the reasonable request of Assignee and without demanding any further consideration therefor, take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect this Assignment to Assignee or any assignee thereof or successor thereto. With prior written approval by Assignee, Assignee will pay Assignor's reasonable and documented out-of-pocket costs and expenses.

4. Successors; Assigns. The terms and conditions of this Assignment Agreement will inure to the benefit of Assignee and its successors, assigns and other legal representatives and will be binding upon Assignor and its successors, assigns and other legal representatives.

5. Effective Date. This Assignment Agreement shall be deemed effective as of August 16, 2023.

IN WITNESS WHEREOF, the Parties hereto have caused this Assignment of Trademarks to be duly executed by their respective authorized representatives as of the Effective Date.

On Behalf of ASSIGNOR:
