## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT ("**IP Security Agreement**"), dated as of November 15, 2023, is made by and between **NATIONAL KWIKMETAL SERVICE LLC**, an Illinois limited liability company ("**Grantor**"), in favor of **FIFTH THIRD BANK, NATIONAL ASSOCIATION**, a national banking association, as agent for the lenders (in such capacity, together with its successors and assigns in such capacity, the "**Agent**").

WHEREAS, Grantor has entered into an Amended and Restated Credit Agreement dated as of the date hereof (as amended, restated supplemented or modified from time to time, the "**Credit Agreement**"), with the Agent, the other lenders party thereto, and the other Loan Parties thereto.

WHEREAS, in connection with the Credit Agreement, Grantor has granted to the Agent a security interest in, among other property, certain intellectual property of Grantor, and has agreed to execute and deliver this IP Security Agreement for recording with government authorities, including, but not limited to, the United States Patent and Trademark Office and the United States Copyright Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions. Capitalized terms used herein but not defined herein shall have the meaning set forth in the Credit Agreement.

2. Grant of Security. Grantor hereby pledges and grants to the Agent a security interest in and to all of the right, title, and interest to, and under the following (the "**IP Collateral**"):

(a) the patents and patent applications set forth in Schedule 1 hereto and all reissues, divisions, continuations, continuations-in-part, renewals, extensions, and reexaminations thereof and amendments thereto (the "**Patents**");

(b) the trademark registrations and applications set forth in Schedule 1 hereto, and the unregistered trademarks used by Grantor, together with the goodwill connected with the use thereof and symbolized thereby, and all extensions and renewals thereof (the "**Trademarks**");

(c) the copyright registrations and applications exclusively licensed to Grantor set forth in Schedule 1 hereto, and all extensions and renewals thereof (the "**Copyrights**");

(d) all rights of any kind whatsoever of Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(e) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(f) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right, but no obligation, to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

3. Recordation. Grantor authorizes the Commissioner for Patents, the Commissioner for Trademarks, and the Register of Copyrights, and any other government officials to record and register this IP Security Agreement upon request by the Agent.

4. Loan Documents. This IP Security Agreement has been entered into pursuant to and in conjunction with the Credit Agreement, which is hereby incorporated by reference. The provisions of the Credit Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Agent with respect to the IP Collateral are as provided by the Credit Agreement and the Loan Documents, and nothing in this IP Security Agreement shall be deemed to limit or expand such rights and remedies.

5. Execution in Counterparts. This IP Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this IP Security Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this IP Security Agreement.

6. Successors and Assigns. This IP Security Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

7. Governing Law. This IP Security Agreement and any claim, controversy, dispute, or cause of action (whether in contract or tort or otherwise) based upon, arising out of, or relating to this IP Security Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Illinois, without giving effect to any choice or conflict of law provision or rule (whether of the State of Illinois or any other jurisdiction).

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Grantor has caused this Intellectual Property Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
