GRANT OF A SECURITY INTEREST -- TRADEMARKS

This Trademark Security Agreement (this “**Trademark Security Agreement**”) is made as of August 7, 2023, by the Grantors listed on the signature pages hereof (collectively, “**Grantor**”), in favor of CALLODINE COMMERCIAL FINANCE, LLC, in its capacity as administrative agent for itself and the other Secured Parties (together with its successors and assigns in such capacity, “**Grantee**”).

WHEREAS, the Grantor has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the “**Trademarks**”);

WHEREAS, the Grantor, among others, has entered into a Pledge and Security Agreement, dated August 7, 2023 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “**Security Agreement**”), in favor of Grantee; and

WHEREAS, pursuant to the Security Agreement, the Grantor has granted to the Grantee for the benefit of the Secured Parties (as defined in the Security Agreement), a continuing security interest in all right, title and interest of the Grantor in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “**Collateral**”), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement).

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor does hereby grant to the Grantee and grant to the Grantee for the benefit of the Secured Parties, a continuing security interest in the Collateral to secure the prompt payment, performance and observance of the Secured Obligations. Notwithstanding anything herein to the contrary, the term “Collateral” shall not include, and no Grantor is pledging, nor granting a security interest hereunder in, any Excluded Assets; provided, however, that if and when any asset shall cease to be an Excluded Asset, a Lien on and security interest in such property shall immediately be deemed granted hereunder.
