TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of November 17, 2023, is made by the entity listed on the signature page hereof (the “Grantor”), in favor of TREE LINE CAPITAL PARTNERS, LLC (“*Tree Line*”), as Collateral Agent (in such capacity, together with its successors and permitted assigns, the “*Collateral Agent*”) for the Lenders and the other Secured Parties.

WITNESSETH:

WHEREAS, MRC Springfield Intermediate Inc., a Delaware corporation (“*Holdings*”), MRC Springfield Acquisition LLC, a Delaware limited liability company (“*Borrower*”), RAYMOND & LAE ENGINEERING, LLC, a Delaware limited liability company (“*RLE*”), the Subsidiaries of the Credit Parties that are or become Guarantors pursuant to Section 8.10 of the Credit Agreement, the lenders from time to time party thereto (each a “*Lender*” and, collectively, the “*Lenders*”), Tree Line, as administrative agent for the Lenders (in such capacity, together with its successors and permitted assigns in such capacity, the “*Administrative Agent*”) and the Collateral Agent (Collateral Agent, together with the Administrative Agent, collectively, the “*Agents*” and each an “*Agent*”), have entered into a Credit Agreement, dated as of November 17, 2023 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “*Credit Agreement*”);

WHEREAS, the Grantor is party to a Guaranty and Security Agreement dated as of November 17, 2023 in favor of the Collateral Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “*Guaranty and Security Agreement*”), pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Collateral Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, the Grantor hereby agrees with the Collateral Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement or the Credit Agreement, as applicable.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of the Grantor, hereby collaterally assigns and pledges to the Collateral Agent for the benefit of the Secured Parties, and grants to the Collateral Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the “*Trademark Collateral*”):

- (a) all of its Trademarks providing for the grant by or to the Grantor of any right under any Trademark, including those referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof. Notwithstanding the foregoing, there shall be no security interest or Lien on any Trademark application that is filed on an "intent-to-use" basis (until such time as a statement of use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office).

Notwithstanding the foregoing, Trademark Collateral shall not include any Excluded Property.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Guaranty and Security Agreement and the Grantor hereby acknowledges and agrees that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with any provision of the Guaranty and Security Agreement, the Guaranty and Security Agreement shall govern.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts (including by facsimile or other electronic means), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. **THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HERETO SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REFERENCE TO CONFLICTS OF LAW PROVISIONS (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW)**. In addition, the provisions of Section 8.6, 8.7, 8.8 and 8.12 of the Guaranty and Security Agreement are incorporated herein by reference, *mutatis mutandis*.

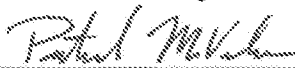

Section 7. Release and Termination. At the time provided in Section 8.14 of the Guaranty and Security Agreement or upon the occurrence of an event expressly permitted by, or provided for, in the Credit Agreement or the Guaranty and Security Agreement that would result in the release of all or a portion of the Trademark Collateral, all or such applicable portion of the

Trademark Collateral shall be automatically released from the Lien created hereby and this agreement and all obligations (other than those expressly stated to survive such termination) of Collateral Agent and the Grantor hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Trademark Collateral shall revert to the Grantor. At the request of the Grantor following any such termination, Collateral Agent shall promptly execute and deliver to the Grantor such documents as the Grantor reasonably requests to evidence such termination.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Raymond & Lae Engineering, LLC, as Grantor
