Each Assignor, individually and jointly, hereby authorizes the United States Patent and Trademark Office and the United States Copyright Office, as applicable, and any other Intellectual Property registry anywhere in the world, to record and register this IP Assignment Agreement upon request by Assignee. Following the date hereof, Assignors shall use commercially reasonable best efforts to (a) execute, acknowledge and deliver such other instruments, documents and agreements and (b) do such other things, in each case, as may be reasonably necessary, proper or advisable to carry out its obligations under this IP Assignment Agreement and as may be requested, proper or advisable to more completely effectuate, consummate, record, perfect or confirm the transactions contemplated hereby.
