TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this “Agreement”), dated as of November 13, 2023, is made by and between Custom Metalcraft, Inc., a Missouri corporation, (the “Assignor”), on the one hand, and Tank Holding Corp., a Delaware corporation (“Assignee”), on the other hand. Assignor and Assignee may be referred to herein individually as a “Party” and collectively as the “Parties.” Terms capitalized but not defined herein shall have the meaning ascribed to such terms in the Purchase Agreement (as defined below).

W I T N E S S E T H:

WHEREAS, Assignor and the Assignee have entered into an Asset Purchase Agreement, dated as of November 13, 2023 (the “Purchase Agreement”);

WHEREAS, pursuant to the Purchase Agreement, Assignor desires to sell, convey, assign, transfer, and deliver to Assignee, and Assignee desires to purchase, acquire, and accept from Assignor, all of Assignor’s right, title, and interest in, to, and under all of the registered and applied for trademarks listed on Schedule 1 hereto (the “Trademarks”), together with all goodwill associated therewith; and

WHEREAS, this Agreement will be executed in connection with the Closing under the Purchase Agreement, as required thereby.

NOW, THEREFORE, in consideration of the premises and covenants set forth herein and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, hereby agree as follows:

Section 1. Assignment. Assignor hereby sells, conveys, assigns, transfers, and delivers to Assignee, and Assignee hereby purchases, acquires, and accepts from Assignor, all of Assignor’s right, title, and interest in, to and under the Trademarks, together with (A) all common law rights or other rights in or to any of the foregoing, and all goodwill associated with any of the foregoing, (B) all registrations and applications for registration of any of the foregoing, and all rights to register any of the foregoing, (C) all renewals, extensions, reexaminations and continuations of any of the foregoing, and rights to any other registrations or applications based upon, claiming priority from, or claiming common parentage with, any of the foregoing, and the right to obtain or file for any renewals, extensions, reexaminations and continuations of, and any other registrations or applications based upon, claiming priority from or claiming common parentage with, any of the foregoing, (D) all income, royalties, damages and payments due or payable at the Effective Date or thereafter (including damages and payments for past or future infringements or misappropriations thereof), (E) the right to sue and recover for past infringements or misappropriations thereof, (F) any and all corresponding rights that, now or hereafter, may be secured throughout the world and (G) all copies and tangible embodiments of any of the foregoing.

Section 2. Recordation. The Assignor authorizes and requests that the United States Patent and Trademark Office, and the corresponding entities or agencies in any foreign countries or multinational authorities (as applicable), record Assignee as the owner of the Trademarks.

Section 3. Further Assurances. Each Party shall promptly execute, acknowledge and deliver any other assurances or documents or instruments of transfer reasonably requested by the other Party and necessary for the requesting Party to satisfy its obligations hereunder or to obtain the benefits of the transactions contemplated by the Transaction Documents (as defined in the Purchase Agreement).

Section 4. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of law rules of such state.

Section 5. Counterparts. This Agreement may be executed in counterparts (including by facsimile or electronic .pdf submission), each of which shall be deemed an original, and all of which shall constitute one and the same agreement and shall become effective when one or more counterparts have been signed by each of the Parties and delivered (by telecopy or otherwise) to the other Party, it being understood that all Parties need not sign the same counterpart..
