## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of November 21, 2023, is entered into by WAVELYNX TECHNOLOGIES LLC, a Delaware limited liability company ("Grantor"), in favor of WELLS FARGO BANK, NATIONAL ASSOCIATION ("Lender").

### RECITALS

A. Grantor and Lender have entered into a Credit Agreement dated of even date herewith (as thereafter amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which Lender has agreed to make loans to Borrower.

B. Pursuant to the Credit Agreement, Grantor is required to execute and deliver to Lender this Agreement.

C. Pursuant to the terms of that certain Security Agreement: Business Assets of even date herewith and executed by Borrower in favor of Lender (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), Borrower has granted to Lender a security interest in substantially all the assets of Borrower, including all right, title and interest of Borrower in, to, and under all now owned and hereafter acquired trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment and performance of the Obligations.

### AGREEMENT

In consideration of the mutual agreements set forth herein, in the Credit Agreement and in the Security Agreement, Grantor does hereby grant to Lender, a continuing security interest and lien in all of Grantor's right, title and interest in, to, and under the following, whether presently existing or hereafter created or acquired to secure the payment and performance of the Obligations:

- (1) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 attached hereto and incorporated herein, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (2) each trademark license, including, without limitation, each trademark license listed on Schedule 1, together with all goodwill associated therewith; and
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 (items 1 through 3 being herein collectively referred to as the "Trademark Collateral"). Notwithstanding the foregoing, any trademark applications filed in the United States Patent and Trademark Office ("PTO") on the basis of any Grantor's intent to use such trademark shall be excluded from Trademark Collateral, unless and until a statement of use or amendment to allege use is filed in the PTO, whereupon such trademark shall automatically be deemed included in the Trademark Collateral.

Grantor represents and warrants that Grantor shall provided prompt notice of any new or additional Trademark Collateral and shall promptly deliver to Lender an updated Schedule 1 to this Agreement.

This security interest and lien is granted in conjunction with the security interests and liens granted to Lender pursuant to the Security Agreement and subject to limitations set forth therein. Grantor hereby acknowledges and affirms that the rights and remedies of Lender with respect to the security interests and liens in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Security Agreement. This Agreement is made under and shall be governed by the internal laws of the State of New York applicable to contracts made and to be performed entirely within such state, without regarding to conflict of laws principles thereunder.
