## TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "Trademark Security Agreement") is made as of November 22, 2023, by A6 IPCO, LLC, a New York limited liability company ("Grantor"), in favor of WHITE OAK COMMERCIAL FINANCE, LLC, as Agent (as defined in the Loan Agreement (as defined below)) (together with its successors and assigns in such capacity, "Grantee").

WHEREAS, the Grantor has adopted, has used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, the Grantor and certain affiliates of Grantor have entered into a Loan and Security Agreement, dated as of the date hereof (as amended, restated, amended and restated, refinanced, replaced, extended, supplemented or otherwise modified from time to time, the "Loan Agreement"), in favor of Grantee; and

WHEREAS, pursuant to the Loan Agreement, the Grantor has granted to the Grantee, for its benefit and for the ratable benefit of the Secured Parties, a continuing security interest in all right, title and interest of the Grantor in, to and under the Trademarks, together with, among other things, the goodwill of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment and performance of the Obligations.

NOW, THEREFORE, to secure the prompt payment and performance of the Obligations, Grantor hereby pledges and grants to Grantee for its benefit and for the ratable benefit of each Secured Party, a continuing security interest in and to and Lien on the Collateral.

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement. This Agreement shall be governed by, and construed in accordance with, the law of the State of New York.

The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Collateral are more fully set forth in the Loan Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

IN WITNESS WHEREOF, the Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first set forth above.
