TRADEMARK SHORT FORM SECURITY AGREEMENT dated as of November 21, 2023, (this “**Agreement**”), among NITRO LIFT TECHNOLOGIES, L.L.C., a Louisiana limited liability company (the “**Grantor**”), and BRIGHTWOOD LOAN SERVICES, LLC, as collateral agent (in such capacity, the “**Collateral Agent**”).

Reference is made to (a) the Security Agreement, dated as of October 22, 2019 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among DEBUSK HOLDINGS LLC, a Texas limited liability company (“**Holdings**”), Grantor, the subsidiaries of the Grantor from time to time party thereto and the Collateral Agent, and (b) the Third Amended and Restated Credit Agreement, dated as of the date hereof (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), among the Grantor, Holdings, the other Guarantors from time to time party thereto, BRIGHTWOOD LOAN SERVICES, LLC, as Administrative Agent and Collateral Agent and each lender from time to time party thereto (collectively, the “**Lenders**”). The Lenders have agreed to extend credit to the Grantor subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor is willing to execute and deliver this Agreement in order to induce the Lenders to extend the credit pursuant to the Credit Agreement. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

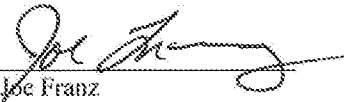

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guaranty, the Grantor pursuant to the Security Agreement has granted, and hereby grants, to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in, to and under any and all of the following assets and properties now owned or at any time hereafter acquired by the Grantor or in which the Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “**Trademark Collateral**”):

(a) all trademarks, service marks, trade names, domain names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general indicators of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States, and all extensions or renewals thereof, including those listed on Schedule I. Notwithstanding anything herein to the contrary, the following assets shall be excluded from the Trademark Collateral: any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal Law; and

(b) all goodwill associated with or symbolized by the Trademarks.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

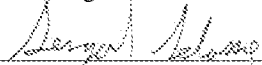

Nitro Lift Technologies, L.L.C.  
as the Grantor
