## TRADEMARK ASSIGNMENT

This Trademark Assignment (including the exhibit attached hereto, this “Assignment”) is made effective this 2<sup>nd</sup> day of October, 2023, by and between Avent Inc., a corporation organized and existing under the laws of Delaware (“Assignor”) and SunMed Group Holdings, LLC, a limited liability company organized and existing under the laws of Delaware (“Assignee”).

WHEREAS, Assignor holds all right, title and interest in and to the trademarks, service marks and trade names set forth on Exhibit A attached hereto and incorporated herein by reference (“Marks”);

WHEREAS, Assignor and Assignee are parties to that certain Purchase Agreement, dated June 7, 2023, between the parties (“Purchase Agreement”), pursuant to which Assignor agreed to transfer, sell and convey to Assignee certain of the assets of Assignor, including the Marks and the goodwill of the business symbolized thereby;

WHEREAS, Assignor now wishes to assign the Marks to Assignee, and Assignee is desirous of acquiring the Marks from Assignor, together with the goodwill of the business symbolized thereby;

WHEREAS, Assignor is conveying the Marks to Assignee as part of the transfer of all or substantially all of a going business; and

WHEREAS, the execution and delivery of this Assignment is a condition to Closing under the Purchase Agreement.

NOW, THEREFORE, in consideration of the premises set forth above and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, Assignor’s entire right, title and interest, whether statutory or at common law, in and to the Marks (including any common law rights that may exist and are associated therewith), together with the goodwill of the business symbolized by the Marks, throughout the world together with income, royalties, damages or payments due on or after the date hereof, including, without limitation, all claims for damages or payments by reason of infringement or unauthorized use of the Marks as well as the right to sue for any past and future infringements and collect same for Assignee’s sole use and enjoyment.

Assignor does hereby authorize the Director of the United States Patent & Trademark Office, and the empowered official of any country or countries foreign to the United States whose duty it is to record trademark registrations, applications and title thereto, to record the

Marks and title thereto as the property of Assignee, its successors, assigns or legal representatives in accordance with the terms of this instrument.

This Assignment may be executed in several counterparts, each of which shall be deemed to be an original, but all of which together will constitute one and the same instrument. This Assignment along with the Purchase Agreement constitutes a complete agreement between the parties with respect to the Marks.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed as a sealed instrument by their duly authorized representatives as of the date first written above.
