AND
THE UNITED STATES REGISTRATION THEREOF
WITNESSETH**

WHEREAS, Taji Butler, an individual, having an address at 152 Jeanne Drive, Memphis, Tennessee 38109 (hereinafter "ASSIGNOR"), acquired, adopted and, thereby, owns all rights, title and interests in and to the trademark AYA TEA and the United States Registration thereof, namely Registration No. 4,749,001 (hereinafter the "Mark" and "Registration," respectively), along with the goodwill of the businesses appurtenant to the Mark; and

WHEREAS, Aiya Company Limited, a corporation formed under the laws of Japan, having a principal place of business 3530 Voyager Street, Torrance, California 90503 (hereinafter "ASSIGNEE"), is desirous of acquiring the entirety of ASSIGNOR's rights, title and interests in and to the Mark and Registration identified above and the attendant goodwill associated with the Mark, and ASSIGNOR is willing to assign the same to ASSIGNEE;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, ASSIGNOR does hereby unconditionally and without limitations of any kind sell, assign, convey and transfer unto ASSIGNEE, its successors, assigns and legal representatives, the entirety of its rights, title and interests in and to the Mark and Registration identified above, and the attendant goodwill associated with the Mark, the same to vest in ASSIGNEE immediately.

It is understood and agreed by ASSIGNOR that the foregoing assignment includes any and all claims and causes of action held by ASSIGNOR against third parties for past or present infringements of the Mark, with the attendant right to sue for and recover damages for such infringements, the same to be retained by ASSIGNEE for its own use and benefit.

ASSIGNOR hereby represents and warrants that (i) he is the sole owner of the Mark and the goodwill associated therewith, and of the Registration thereof in the United States; (ii) the Registration thereof was not obtained fraudulently or contrary to any provision of Title 15, Chapter 22 of the United States Code; (iii) the Registration is not the subject of any other proceedings before the United States Patent and Trademark Office; (iv) he has granted no licenses to any other party to use the Mark for any goods or services, and is under no legally binding obligation to license use of the Mark; (v) he is not aware of any third party who has asserted a claim of any ownership of any right, title or interest in the Mark or the Registration, or any other rights or interests therein which are adverse to those of ASSIGNOR; (vi) he is not a party to any prior agreement, nor has it made any informal commitment or reached any understanding with any other person or legal entity relating to the Mark and Applications which would be breached or otherwise violated by the assignment of the Marks and Registration effectuated by this instrument of assignment; and (vii) he has not heretofore granted to any person or legal entity any security interest in the Mark or Registration, and that the Mark and Registration have not been used as collateral to secure any loan(s); nor have they ever been

encumbered or made the subject of a lien or a judicial proceeding. ASSIGNOR makes no other representations or warranties, expressed or implied, except those expressly set forth hereinabove.

ASSIGNOR hereby agrees that ASSIGNEE shall have the right to record this instrument of assignment with the United States Patent and Trademark Office, so as to establish ASSIGNEE as owner of record of the Mark and its corresponding Registration in the United States.

ASSIGNOR further agrees, at the request of ASSIGNEE and without charge or cost to ASSIGNEE, to (i) execute and have executed any and all further documents of any kind whatsoever; (ii) provide whatever information may be required to carry out the terms and intent of this instrument of assignment; and (iii) fully cooperate with ASSIGNEE, as reasonably required, to enable ASSIGNEE to duly record this instrument of assignment with the United States Patent and Trademark Office, whereby ASSIGNEE's ownership of the Mark and Registration can be duly made of record in the United States.
