## TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("**Trademark Assignment**"), effective as of October 1, 2023, is made by Ortronics, Inc. ("**Ortronics**"), a Connecticut corporation, located at 125 Eugene O'Neill Drive, New London, Connecticut 06320, in favor of Legrand DPC, LLC ("**Legrand DPC**"), a Delaware limited liability company, located at 60 Woodlawn Street, West Hartford, Connecticut 06110, pursuant to the Agreement and Plan of Merger by and between Ortronics, on the one hand, and Legrand DPC, on the other, dated as of September 14, 2023 (the "**Merger Agreement**").

WHEREAS, under the terms of the Merger Agreement, Ortronics has merged with and into, and has conveyed, transferred, and assigned to Legrand DPC, among other assets, certain intellectual property of Ortronics, and has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office and corresponding entities or agencies in any applicable jurisdictions;

NOW THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Ortronics agrees as follows:

1. Assignment. Ortronics hereby irrevocably conveys, transfers, and assigns to Legrand DPC, and Legrand DPC hereby accepts, all of Ortronics' right, title, and interest in and to the following:

(a) the trademark registrations and trademark applications set forth on Schedule 1 hereto, all issuances, extensions, and renewals thereof, and any other trademarks owned by Ortronics (collectively the "**Assigned Trademarks**"), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks; provided that, with respect to the United States intent-to-use trademark applications set forth on Schedule 1 hereto, the transfer of such applications accompanies, pursuant to the Merger Agreement, the transfer of Ortronics' business, or that portion of the business to which the trademark pertains, and that business is ongoing and existing;

(b) all rights of any kind whatsoever of Ortronics accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but not the obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Ortronics hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Legrand DPC. Following the date hereof, Ortronics shall take such steps and actions, and provide such cooperation and assistance to Legrand DPC and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Legrand DPC, or any assignee or successor thereto.

3. Terms of the Merger Agreement. The parties hereto acknowledge and agree that this Trademark Assignment is entered into pursuant to the Merger Agreement, to which reference is made for a further statement of the rights and obligations of Ortronics and Legrand DPC with respect to the Assigned Trademarks. The representations, warranties, covenants, agreements, and indemnities contained in the Merger Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Merger Agreement and the terms hereof, the terms of the Merger Agreement shall govern.

4. Counterparts. This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Trademark Assignment delivered by facsimile, e-mail, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Trademark Assignment.

5. Successors and Assigns. This Trademark Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This Trademark Assignment and any claim, controversy, dispute, or cause of action (whether in contract, tort, or otherwise) based upon, arising out of, or relating to this Trademark Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware, without giving effect to any choice or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction).

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Ortronics has duly executed and delivered this Trademark Assignment as of the date first written above.
