TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (“**Trademark Security Agreement**”), dated as of December 7, 2023, is made by and between DIGI INTERNATIONAL INC., a Delaware corporation, and VENTUS WIRELESS, LLC, a Delaware limited liability company (each a “**Grantor**” collectively “**Grantors**”), in favor of BMO BANK N.A. (the “**Administrative Agent**”), a national banking association, as administrative and collateral agent for the secured parties under the Credit Agreement referred to below (the “**Secured Parties**”).

WHEREAS, the Grantors have entered into a Revolving Credit Agreement dated as of the date hereof (the “**Credit Agreement**”) with the Administrative Agent and lenders (the “**Lenders**”) party thereto.

WHEREAS, as a condition precedent to the making of the loans by the Lenders under the Credit Agreement, Grantors have executed and delivered to the Administrative Agent that certain Guarantee and Collateral Agreement dated as of the date hereof, made by and among the Grantors, certain affiliates of the Grantors and the Administrative Agent (the “**Collateral Agreement**”).

WHEREAS, under the terms of the Collateral Agreement, the Grantors have granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed to execute and deliver this Trademark Security Agreement for recording with governmental authorities, including, but not limited to, the United States Patent and Trademark Office (the “**USPTO**”).

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant of Security. Grantors hereby pledge and grant to the Administrative Agent for the ratable benefit of the Secured Parties a security interest in and to all of the right, title, and interest of Grantors in, to, and under the following (the “**Trademark Collateral**”):

(a) the trademark registrations and applications set forth in Schedule 1 hereto, and all goodwill associated therewith, and all extensions and renewals thereof (the “**Trademarks**”), and all common-law rights related thereto, excluding only any intent-to-use trademark application prior to the filing with, and acceptance of, the USPTO of a “Statement of Use” or “Amendment to Allege Use” with respect thereto pursuant to Section 1(c) or 1(d) of the Lanham Act, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application or the resulting trademark registration under applicable Requirement of Law (as defined in the Credit Agreement);

(b) all rights, priorities and privileges relating to intellectual property, whether arising under United States, multinational or foreign laws or otherwise of any kind whatsoever of Grantors accruing under any of the foregoing;

(c) any and all royalties, fees, income, payments, and other Proceeds (as defined in the Collateral Agreement) now or hereafter due or payable with respect to any and all of the foregoing; and

(d) all rights to sue at law or in equity for any infringement or other impairment with respect to any of the foregoing, whether occurring before, on, or after the date hereof, including the right to receive all proceeds and damages therefrom.

2. Recordation. Grantors authorize the Commissioner for Trademarks and any other government officials to record and register this Trademark Security Agreement upon request by the Administrative Agent.

3. Loan Documents. This Trademark Security Agreement has been entered into pursuant to and in conjunction with the Collateral Agreement, which is hereby incorporated by reference. The provisions of the Collateral Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Administrative Agent with respect to the Trademark Collateral are as provided by the Credit Agreement, the Collateral Agreement, and related documents, and nothing in this Trademark Security Agreement shall be deemed to limit such rights and remedies.

4. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or in electronic (i.e., "pdf" or "tif" format) shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

5. Successors and Assigns. This Trademark Security Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This Trademark Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the state of New York.
