TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is entered into as of December 11, 2023, by and among F&S Media IP LLC, a Delaware limited liability company (the "Assignee"), Recurrent Ventures Inc., a Delaware corporation ("Recurrent") and Camden Media Inc., a Delaware corporation ("Camden") together with "Recurrent", collectively, the "Assignors", each of which may be referred to singly as an "Assignor").

WHEREAS, Assignee and the Assignors have, contemporaneously herewith, entered into an Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which Assignee is acquiring substantially all of the Assignors' assets and properties relating to the Business and assuming certain liabilities of the Assignors relating to the Business. Capitalized terms used but not defined herein shall have the definitions given to them in the Purchase Agreement.

WHEREAS, Assignee and the Assignors have entered into this Assignment to further evidence and effect the transfer by the Assignors to Assignee of the trademarks, registrations, and registration applications set forth on Schedule A attached hereto (collectively, the "Assigned Trademarks").

WHEREAS, Assignee is the successor to the portion of the business to which the Assigned Trademarks pertain, and that business is ongoing and existing, pursuant to Section 10 of the Trademark Act, 15 U.S.C. § 1060; 37 C.F.R. § 3.16.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors do hereby sell, assign, transfer, and set over to Assignee their entire right, title, and interest in and to the Assigned Trademarks, together with the goodwill of the business symbolized in the Assigned Trademarks, and all other corresponding rights that are or may be secured under the laws of the United States and any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignors if this Assignment had not been made, together with all income, royalties, damages, or payments due or payable as of the Closing Date or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Assigned Trademarks, with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

The Assignors hereby authorize and request the Commissioner for Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Assigned Trademarks. Assignee and the Assignors hereby acknowledge and agree that this Assignment is entered into pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignee and the Assignors with respect to the Assigned Trademarks. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements, and indemnities contained in the Purchase Agreement shall remain in full force and effect to the full extent provided therein, and nothing contained in this Assignment shall supersede the Purchase Agreement or any provision contained therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.
