Notice of Grant of Security Interest in Trademarks

NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS, dated as of December 13, 2023 (this “Agreement”), made by CenturyLink Communications, LLC, a Delaware limited liability company (the “Pledgor”), in favor of Computershare Trust Company, N.A, as successor to WELLS FARGO BANK, NATIONAL ASSOCIATION, as Notes Collateral Agent (as defined below).

Reference is made to the Notes Collateral Agreement dated as of January 24, 2020 (as amended, restated, supplemented or otherwise modified from time to time, the “*Notes Collateral Agreement*”), among each Guarantor listed on the signature pages thereof and each other Guarantor that becomes a party thereto after the date thereof (together, the “*Pledgors*”) and Computershare Trust Company, N.A. as successor to Wells Fargo Bank, National Association, as notes Collateral Agent (together with its successors and assigns in such capacity, the “*Notes Collateral Agent*”) for the Notes Secured Parties (as defined therein). The parties hereto agree as follows:

SECTION 1. *Terms*. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Notes Collateral Agreement. The rules of construction specified in Section 1.1(b) of the Notes Collateral Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest*. As security for the payment and performance, as applicable, in full of its Secured Obligations, the Pledgor pursuant to the Notes Collateral Agreement did, and hereby does, assign and pledge to the Notes Collateral Agent, its successors and permitted assigns, for the benefit of the Notes Secured Parties, a continuing security interest in all of such Pledgor’s right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, but excluding any Excluded Property, the “IP Collateral”):

all Trademarks of the United States of America, including those listed on Schedule I;

provided, however, that the foregoing pledge, assignment and grant of security interest will not cover any Excluded Property, including, without limitation, any “intent-to-use” trademark applications, to the extent that the grant of a security interest therein would impair the validity or enforceability of, or render void or voidable or result in the cancellation of the applicable grantor’s right, title or interest therein or in any trademark issued as a result of such application under applicable federal law.

SECTION 3. *Notes Collateral Agreement*. The security interests granted to the Notes Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Notes Collateral Agent pursuant to the Notes Collateral Agreement. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Notes Collateral Agent with respect to the IP Collateral are more fully set forth in the Notes Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Notes Collateral Agreement, the terms of the Notes Collateral Agreement shall govern.

SECTION 4. *Counterparts.* This Agreement (and to any document executed in connection with this Agreement) shall be valid, binding, and enforceable against a party only when executed and delivered by an authorized individual on behalf of the party by means of (i) any electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including relevant provisions of the UCC (collectively, "Signature Law"); (ii) an original manual signature; or (iii) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied manual signature, or other electronic signature, of any party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

SECTION 5. *Governing Law.* **THIS AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.**
