INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**Agreement**”), dated as of December 12, 2023, is entered into by **Confiant Inc.**, a Delaware corporation (“**Grantor**”), and **RCF4, LLC**, a Texas limited liability company (“**Lender**”).

Capitalized terms not otherwise defined herein have the meanings set forth in that certain Loan and Security Agreement dated as of December 12, 2023, among Grantor, as Borrower Representative, Guarantors and Lender (as such agreement may be amended, restated, supplemented, or otherwise modified from time to time, the “**Loan Agreement**”).

WHEREAS, pursuant to the Loan Agreement, Grantor is required to grant a security interest to Lender, in all of Grantor’s Patents, Trademarks, Copyrights, registered mask works, any other registrations and recordings thereof and applications, pending or otherwise, in connection therewith, now owned or hereafter acquired, including the Patents, Trademarks and Copyrights listed on Schedule 1 hereto but excluding any intent-to-use trademarks (collectively, the “**Secured Intellectual Property**”).

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and the Lender hereby agree as follows:

1. Grant of Security Interest.

(a) Grantor hereby pledges and grants to the Lender a security interest in and continuing lien on all of Grantor’s right, title and interest in, to and under all the Secured Intellectual Property, including all reissues, extensions or renewals thereof and all goodwill associated with or symbolized by any of the foregoing, in order to secure the Obligations.

(b) The security interest granted hereby is granted in conjunction with the security interest granted to the Lender under the Loan Agreement. The rights and remedies of the Lender with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Loan Agreement, the terms of the Loan Agreement shall control.

2. Termination of Security Interest.

Subject to the terms of the Loan Agreement and following full payment of the Obligations (other than inchoate indemnification or reimbursement obligations or other obligations which, by their terms, survive termination of the Loan Agreement), the security interest created hereby shall immediately and automatically terminate. The Lender shall, at Grantor’s sole cost and expense, promptly take such actions (including execution of releases, termination statements and other discharges) as may be necessary or proper to evidence the termination of the security interests created hereby.

3. Modification of Agreement.

This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the amendment provisions of the Loan Agreement. Notwithstanding the foregoing, the Lender may modify this Agreement, after obtaining the Grantor's approval or signature to such modification, by amending Schedule 1 hereto to include reference to any right, title or interest in any Patents, Trademarks or Copyrights currently owned by Grantor or any Patents, Trademarks or Copyrights acquired or developed by Grantor after the execution hereof (in each case, other than any intent-to-use trademark) or to delete any reference to any right, title or interest in any Patents, Trademarks or Copyrights in which Grantor no longer has or claims any right, title or interest.

4. Governing Law.

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE AND, TO THE EXTENT CONTROLLING, LAWS OF THE UNITED STATES OF AMERICA.

5. Successors and Assigns.

This Agreement shall be binding upon and inure to the benefit of the Lender and Grantor and their respective successors and permitted assigns. Grantor shall not, without the prior written consent of the Lender given in accordance with the Loan Agreement, assign any right, duty or obligation hereunder.

6. Counterparts.

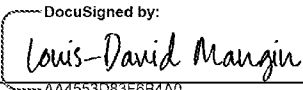

This Agreement may be executed in any number of counterparts and by the parties hereto on separate counterparts, each of which when so executed, shall be deemed to be an original and all of which taken together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic communication (including via email or PDF) shall be effective as delivery of a manually executed counterpart of this Agreement.
