## TRADEMARK SECURITY AGREEMENT

December 20, 2023

This TRADEMARK SECURITY AGREEMENT, dated as of December 20, 2023 (this “Agreement”), is made by the signatory hereto indicated as a “Grantor” (“Grantor”) in favor of Blue Torch Finance LLC, as collateral agent for the Secured Parties (in such capacity, together with its successors and assigns in such capacity, if any, the “Collateral Agent”).

WHEREAS, the Grantor has entered into a Pledge and Security Agreement, dated as of December 20, 2023 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”), in favor of the Collateral Agent; and

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and assigned to the Collateral Agent (and its agents and designees), and granted to the Collateral Agent (and its agents and designees), for the benefit of the Secured Parties, a continuing security interest in, all Trademark Collateral (as defined below); and

WHEREAS, pursuant to the Security Agreement, the Grantor agreed to execute this Agreement, in order to record the security interest granted to the Collateral Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Collateral Agent as follows:

### **SECTION 1. Defined Terms**

Capitalized terms used but not defined herein shall have the respective meanings given thereto (including by reference) in the Security Agreement.

### **SECTION 2. Grant of Security Interest**

As collateral security for the prompt and complete payment, performance and observance when due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) of all of the Secured Obligations, the Grantor hereby pledges and assigns to the Collateral Agent (and its agents and designees), and grants to the Collateral Agent (and its agents and designees), for the benefit of the Secured Parties, a continuing security interest in, the following (the “Trademark Collateral”) all domestic and foreign trademarks, service marks, collective marks, certification marks, trade names, business names, d/b/a's, trade styles, designs, logos and other source or business identifiers and all general intangibles of like nature, (ii) all registrations and applications for the registration thereof (including, without limitation, those listed on Schedule A hereto), and all extensions and renewals, together with all goodwill of the business connected with the use of or symbolized by any of the foregoing, (iii) all rights to sue or otherwise recover for any past, present and future infringement, dilution or other violations thereof, (iv) all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments,

claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto, and (v) all other rights, priorities and privileges accruing thereunder or pertaining thereto throughout the world.

Notwithstanding anything to the contrary contained herein, the Trademark Collateral does not include any intent-to-use United States Trademark applications for which an amendment to allege use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office, but only to the extent, if any, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration issuing from such intent-to-use Trademark application under applicable federal law, and provided that upon such filing and acceptance, such intent-to-use applications shall be included in the definition of Trademark Collateral.

### **SECTION 3. Security Agreement**

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Parties pursuant to the Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

### **SECTION 4. Governing Law**

**THIS AGREEMENT SHALL BE GOVERNED BY, CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, EXCEPT (I) AS REQUIRED BY MANDATORY PROVISIONS OF LAW AND (II) TO THE EXTENT THAT THE VALIDITY AND PERFECTION OR THE PERFECTION AND THE EFFECT OF PERFECTION OR NON-PERFECTION OF THE SECURITY INTEREST CREATED HEREBY, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAW OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK.**

### **SECTION 5. Counterparts**

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which shall be deemed an original, but all of such counterparts taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall

be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be duly executed by its officer thereunto duly authorized as of the date first above written.
