TRADEMARK ASSIGNMENT AGREEMENT

THIS TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is entered into and made effective on February 14, 2023, by and between Hunt Valley Pharmacy, LLC ("Assignor"), and Advanced Infusion Solutions Acquisition, LLC ("Assignee").

WHEREAS, pursuant to that certain Plan of Dissolution, dated as of January 14, 2023, by and among Assignor and Assignee (the "Plan of Dissolution"), Assignor assigns to Assignee all of Assignor's right, title and interest in and to the trademark registration set forth on the attached Schedule A (the "Trademark"); and

WHEREAS, the parties wish to execute and deliver this Assignment for the purpose of recording the foregoing assignment with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Assignor does hereby irrevocably sell, convey, assign, deliver, and transfer to Assignee, its successors, assigns and legal representatives, and Assignee purchases and accepts from Assignor, all of Assignor's right, title and interest in and to the Trademark, including (i) all goodwill associated therewith and symbolized thereby; (ii) any and all rights of priority thereto and renewals thereof; and (iii) all causes of action related thereto, including the right to damages and profits, due or accrued, and the right to sue and recover for past, present, and future infringement, misappropriation, violation, misuse, breach or default of the foregoing. Assignor further consents to recordation of this Assignment with the United States Patent and Trademark Office.

2. This Assignment does not create or establish liabilities or obligations not otherwise created or existing under or pursuant to the terms and conditions set forth in the Plan of Dissolution. Nothing in this Assignment, express or implied, is intended to or shall be construed to supersede, modify, replace, amend, rescind, waive, expand, or limit in any way the rights of the parties under, or the terms of, the Plan of Dissolution. In the event of any conflict between the Plan of Dissolution and this Assignment, the provisions of the Plan of Dissolution shall control.

3. The above-granted rights, titles, and interests are to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made.

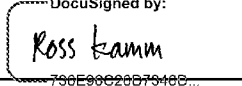

4. The officer that executes this Assignment on behalf of Assignor is authorized to bind and obligate each of the entities defined herein as part of Assignor. The officer that executes this Assignment on behalf of Assignee is authorized to bind and obligate the entity defined herein as Assignee.

5. Each of the parties hereto agree to cooperate and to execute and deliver to the other parties such further instruments, and to take such further actions as may be reasonably requested by such other parties to evidence and reflect the transactions contemplated by this Agreement.

[Signature Page Follows]

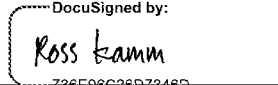

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of the date first set forth above.
