## INTELLECTUAL PROPERTY AGREEMENT SUPPLEMENT

This **INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT** (this “IP Security Agreement Supplement”), dated December 13, 2023, is made by **ATTICA HYDRAULIC EXCHANGE, INC.**, a Delaware corporation (the “Grantor”) in favor of Wells Fargo Bank, National Association, as collateral agent (“Wells Fargo”) (in such capacity, the “Collateral Agent”) for the Secured Parties (as defined in the Credit Agreement referred to below).

**WHEREAS**, among Burgess Point Purchaser Corporation, a Delaware corporation (the “Parent Borrower”), Burgess Point Intermediate, Inc., a Delaware corporation (“Holdings”), and the other Loan Parties from time to time party thereto have entered into the ABL Credit and Guarantee Agreement, dated as of July 25, 2022 (as amended, restated, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time, the “Credit Agreement”), with the lenders and financial institutions from time to time party thereto, and Wells Fargo Bank, National Association, as Administrative Agent and Collateral Agent. Capitalized terms defined in the Credit Agreement or in the Security Agreement (as defined below) and not otherwise defined herein are used herein as defined in the Credit Agreement or the Security Agreement, as the case may be (and in the event of a conflict, the applicable definition shall be the one given to such term in the Security Agreement).

**WHEREAS**, pursuant to the Credit Agreement, the Grantors have executed and delivered or otherwise become bound by that certain ABL Security Agreement, dated as of July 25, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), and that certain Intellectual Property Security Agreement, dated as of July 25, 2022 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “IP Security Agreement”).

**WHEREAS**, under the terms of the Security Agreement, the Grantor has agreed to grant to the Collateral Agent, for the benefit of the Secured Parties, a security interest in any after-acquired intellectual property collateral of such Grantor and has agreed in connection therewith to execute this IP Security Agreement Supplement for recording with the USPTO and/or the USCO, as applicable.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

A. Grant of Security. The Grantor, as security for the payment or performance, as the case may be, in full of the Secured Obligations hereby pledges to the Collateral Agent (and its successors and permitted assigns), for the benefit of the Secured Parties, and the Grantor hereby grants to the Collateral Agent (and its successors and permitted assigns), for the benefit of the Secured Parties, a security interest in and continuing lien on all of such Grantor’s right, title and interest in and to the following (the “Additional Collateral”):

- a. each Patent registration or application thereof identified in Schedule A hereto;
- b. each Trademark registration or application thereof identified in Schedule B hereto;

c. each Copyright registration or application therefor identified in Schedule C hereto;

d. each exclusive Copyright License to which such Grantor is a party and identified in Schedule C hereto; and

e. any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Additional Collateral or arising from any of the foregoing; provided that, notwithstanding anything to the contrary contained in the foregoing clauses (a) through (f), the security interest created hereby shall not extend to, and the term "Additional Collateral" shall not include any Excluded Property.

B. Supplement to Security Agreement. Schedule III to the Security Agreement is, effective as of the date hereof, hereby supplemented to add to such Schedule the Additional Collateral.

C. Security for Obligations. The grant of a security interest in the Additional Collateral by the Grantor under this IP Security Agreement Supplement secures the payment of all Secured Obligations now or hereafter existing under or in respect of the Secured Documents (as such Secured Documents may be amended, restated, amended and restated, supplemented, replaced, refinanced or otherwise modified from time to time (including any increases of the principal amount outstanding thereunder)). Without limiting the generality of the foregoing, this IP Security Agreement Supplement secures the payment of all amounts that constitute part of the Secured Obligations that would be owed by the Grantor to any Secured Party under the Secured Documents but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

D. Recordation. The Grantor authorizes and requests that the Commissioner for Trademarks records this IP Security Agreement Supplement.

E. Grants, Rights and Remedies. This IP Security Agreement Supplement has been entered into in conjunction with the provisions of the Security Agreement. The Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Additional Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this IP Security Agreement Supplement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

F. Governing Law; Jurisdiction; Etc. Section 12.08 (*GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL*) of the Credit Agreement is hereby incorporated by reference, *mutatis mutandis*.

G. Execution in Counterparts; Effectiveness of Facsimile or Electronic Documents and Signatures. This IP Security Agreement Supplement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the

same instrument. This IP Security Agreement Supplement may be executed by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, or any other relevant and applicable electronic signatures law; (b) an original manual signature; or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature.

IN WITNESS WHEREOF, the Grantor has caused this IP Security Agreement Supplement to be duly executed and delivered by its officer thereunto duly authorized as of the date first written above.
