(Trademark, Trademark Registrations, Trademark Applications and Trademark Licenses)

December 22, 2023

WHEREAS, **COMPONENTS EXPRESS, LLC**, an Illinois limited liability company (herein referred to as the "Grantor"), owns, or in the case of licenses is a party to, the Intellectual Property Collateral (as defined below);

WHEREAS, the Grantor, among others, certain lenders and GLAS TRUST CORPORATION LIMITED, as security agent, are parties to a Senior Facilities Agreement dated 2 June 2022 (as amended, supplemented, restated or otherwise modified and in effect from time to time, including, without limitation, by an Amendment and Restatement Agreement dated 12 September 2022, and by an Amendment and Accession Agreement dated 27 October 2023, the "Senior Facilities Agreement"); and

WHEREAS, pursuant to a Security Agreement dated as of December 22, 2023 (as amended, supplemented, restated or otherwise modified and in effect from time to time, the "Security Agreement") entered into between, among others, the Grantor and GLAS TRUST CORPORATION LIMITED, as Security Agent (the "Security Agent", which expression shall include its successors, assigns and transferees), the Grantor has secured the Secured Obligations (as defined in the Security Agreement) by granting to the Security Agent as security agent for the Secured Parties (as defined in the Senior Facilities Agreement) a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Intellectual Property Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor grants to the Security Agent, to secure the Secured Obligations, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Intellectual Property Collateral"), whether now owned or existing or hereafter acquired or arising:

(i) each Trademark (as defined in the Security Agreement) owned by the Grantor, including, without limitation, each Trademark registration and application referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(ii) each Trademark registration and application identified in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(iii) all proceeds of and revenues from the foregoing, including, without limitation, all proceeds of and revenues from any claim by the Grantor against third parties for past, present or future unfair competition with, or violation of, intellectual property rights in connection with any injury to, or infringement or dilution of any Trademark owned by the Grantor (including, without limitation, any Trademark identified in Schedule 1 hereto) or for the goodwill associated with any of the foregoing; and

(iv) all rights and benefits of the Grantor under any Trademark License (including, without limitation, any Trademark License identified in Schedule 1 hereto).

The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Security Agent pursuant to the Security Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Security Agent with respect to the security interest in the Intellectual Property Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Intellectual Property Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York, including Section 5-1401 and Section 5-1402 of the New York General Obligations Law. The Grantor agrees that any suit for the enforcement of this Intellectual Property Security Agreement Supplement may be brought in the courts of the State of New York or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Grantor by mail at the address specified in the Security Agreement. The Grantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

This Intellectual Property Security Agreement Supplement may be executed in two or more separate counterparts, each of which shall constitute an original and all of which shall collectively and separately constitute one and the same agreement.

In case of any inconsistencies between the terms of this Intellectual Property Security Agreement Supplement and those of the Security Agreement, the Security Agreement shall prevail.
