Exhibit "A"

GRANT OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

This **GRANT OF SECURITY INTEREST IN INTELLECTUAL PROPERTY** ("Agreement"), effective as of November 20, 2023 is made by Chooch Intelligence Technologies Co. a Delaware corporation with its principal place of business at 3 East 3rd Avenue, Suite 200, San Mateo, California 94401 (the "**Obligor**"), in favor of each Holder (as defined in the applicable secured convertible promissory note dated on or about the date hereof (together the "**Notes**," each a "**Note**"), among the Obligor and the applicable Holder).

WITNESSETH:

WHEREAS, in connection with the Notes, the Obligor has executed and delivered a Security Agreement, dated as of November 20, 2023, in favor of the Lenders (as may be amended from time to time, the "**Security Agreement**"), pursuant to which the Obligor pledged and granted to the Lenders, for the benefit of the Lenders, a continuing security interest in all of Obligor's right, title and interest in, to and under all of its property used, conceived, registered, or otherwise practiced in the United States, including the Intellectual Property and the Obligor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to provide the loans pursuant to the Notes, the Obligor agrees, for the benefit of the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. Obligor hereby pledges and grants a continuing security interest in all of the Obligor's right, title and interest in, to and under the Intellectual Property to the extent constituting Collateral (as defined in the Security Agreement), including without limitation, those listed on Schedule A hereto (collectively, the "**Collateral**"), to each of the Lender for the benefit of such Lender to secure payment, performance and observance of the obligations under the applicable Note.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Obligor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office and the United States Copyright Office. The security interest granted hereby has been granted to the Lenders in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Lender thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Obligor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Notes and the Security Agreement. In the event of

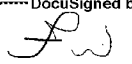

any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Grant of Security Interest in Intellectual Property to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
